Truly Weird Real Life Cases Of The Paranormal:

Understanding the World Through Narrative Steve Bowkett, Tony Hitchman, 2023-10-02 While many educational books focus on creative and critical thinking skills this ground breaking work is the first to deal specifically with the ability to understand question and evaluate information presented broadly speaking in story form Story or narrative is central to our understanding of and interaction with the world around us We only have to think of the mini stories encapsulated in many advertisements the way that topics in science the story of human evolution for example in history and other subjects present themselves the power of myths and legends to act as guides to moral behaviour and the pervasive way that gossip rumour and superstition can spread to recognise the benefits of heightening such awareness in young learners Understanding the World Through Narrative explores the narrative structure of fiction but uses this as a template to show how the story form appears in mythology and modern urban folklore science history the media including advertising in our internal dialogues stories we tell ourselves about ourselves and others and how narrative structure can be used in curriculum planning to enhance children s learning The book contains over 160 thinking discussing researching activities for use in the classroom and as project work Chapters can be used independently although they are arranged with increasing degrees of sophistication and challenge This fascinating work is an essential resource for any teacher of upper primary and lower secondary students covering not only children s evolving intellectual ability and promoting curiosity and critical engagement but also enhancing their mental and emotional wellbeing

The Ghosts of Blue Bell Hill & other Road Ghosts Sean Tudor, 2017 A case centred study of Phantom Hitch Hikers Phantom Jaywalkers in Folklore and Fact Tales of Phantom Hitch Hikers are found the world over But is there anything more to them than the staple of contemporary folklore they appear to be Cases like Blue Bell Hill suggest there is Here and in numerous other modern cases witnesses report vivid and terrifying encounters with solid looking figures that step into the paths of their vehicles These events show an affinity with the legendary Phantom Hitch Hiker suggesting that far from being mere vestiges of a superstitious folk tradition they may reflect a genuine but complex phenomenon that continues to manifest in modern times and settings and challenges our very notions of reality This book traces Blue Bell Hill s ghost from its roots in folklore to compelling fact with nearly 50 witness accounts attesting to it as an important modern example of haunting on record and arguably the foremost case of its kind in the world today

Truly Weird Jenny Randles, 1998 An aircraft loses electrical power and wanders off course as it flies into a strange vortex off the coast of Florida Was it impeded by the Bermuda Triangle A body is discovered in an apartment complex There are signs of a localized fire but all that remains of the victim is a pile of ash one foot and a slipper Is this an actual case of Spontaneous Human Combustion A huge carcass of undetermined origin washes up on the shores of Tasmania Are prehistoric species still roaming the oceans World renowned paranormal investigator Jenny Randles leads this investigation into real life cases of the uncanny accompanied by hard evidence expert opinions s and photographs Also covered are studies

of mysterious objects falling from the sky UFO crashes time travel Bigfoot ghosts stone images premonitions alien abductions and many other strange but true events 144 pages 70 b w illus 7 3 8 x 9 5 8 *Stories of the Strange* Claus

Iversen, 2017-07-22 An exiting book about paranormal and strange events in Denmark The Paranormal agency paranormal efterforskning dk is a team of investigators and investigative journalists that are looking into the paranormal phenomenon and investigates both private and public cases Strange, Spooky and Supernatural Mike Browne, 2024-10-01 NATIONAL

BESTSELLER Toronto Star Bestseller Globe and Mail Bestseller Indigo Staff Pick of the Month The creator of the Dark Poutine podcast and bestselling author of Murder Madness and Mayhem is back with a new collection of stories for those who are curious about the paranormal the mysterious and the unexplained Strange Spooky and Supernatural is divided into three sections and recounts stories of unusual and enigmatic people places and things The first section explores strange people in history including the death of escape artist and occult debunker Harry Houdini BC resident Granger Taylor who left a note saying he was leaving on a spaceship and disappeared and a man known only as Jerome who was discovered on a Nova Scotia beach in 1863 and was unable to communicate anything about his past The second section about strange places embarks on a journey around the world touching down in locations cloaked in mystery and steeped in spine chilling stories of hauntings unexplained deaths and lost civilizations This chapter includes stories about the Borley Rectory which has been labelled the most haunted house in England Nahanni National Park in the Northwest Territories which is referred to by many as the Valley of Headless Men and the unexplained occurrences at Old MacDonald s Farm in Caledonia Mills Nova Scotia In the final section Browne explores mysterious things including the Van Meter Visitor an unidentified nocturnal creature that terrorized citizens of the small town of Van Meter Iowa in 1903 the Vampire of Highgate Cemetery an entity that allegedly haunted the famous cemetery in London during the 1970s and the Philip Experiment a 1970s era parapsychological experiment conducted in Toronto Strange Spooky and Supernatural includes a foreword by paranormal researcher Morgan Knudsen who is also a co host of the podcast Supernatural Circumstances **The Writers Directory 2008** Michelle
