Professional Nursing Eugenia Kennedy Spalding, Lucille Elizabeth Notter, 1965 Biblical Cures for the Wounded Spirit Wayne A. Keast, 2023-05-05. About the Book: *Biblical Cures for the Wounded Spirit* contains vital information that will answer many questions that those who suffer with PTSD and those close to them are asking: How does someone handle the grief experienced in combat? How does a spouse or other loved one handle the playing out of stress a combat veteran manifests when they return? Fear, guilt, no peace, and other issues are addressed. These are emotions that stir the soul and plague those who have experienced unimaginable trauma in a war zone or even in a violent home situation. Psychology and drugs are not the answer. New Age philosophy will not help. The Bible has the answers and will be found in these pages to be the solution that so many have been looking for. About the Author: Saved at age 14 out of a broken, traumatizing home, Wayne A. Keast entered the Army at age 18 and discovered God's peace in the midst of Army duty that includes deployment and long stretches away from family. After years as an enlisted soldier, Wayne was called by God into the ministry out of German guard tour on a midnight shift. Finishing college and seminary, the Army received Wayne back as a commissioned officer and chaplain. After a deployment and after surgery, Wayne was in a rehab learning about war-time PTSD issues by listening to soldiers. After much Bible study, Wayne learned of God's cure for PTSD and how the inevitable wound can be treated successfully. Later, God showed Wayne a Bible verse that describes the issue: Proverbs 18:14, "The spirit of a man will sustain his infirmity, but a wounded spirit who can bear." Wayne retired from the Army in 2012 with a burden for those with PTSD. This book is a compilation of the work completed in his Doctor of Ministry, *Wounded Spirits*, is Wayne's ministry order under Wounded Spirits INC, woundedspiritsministry@gmail.com, www.biblecuresforptsd.org. **Doing Therapy with Intercultural Couples** Sunita Noronha, 2022-04-28. Marital concord between couples from different racial and ethnic backgrounds is an issue that needs serious attention to bridge the vast chasms. America welcomes people from all over the world. People of all religions and ethnic backgrounds come here to study and migrants arrive here to work. Interracial marriages are common, but the radically different background of each couple can create discords and prove to be bumps on the highway of conjugal life. This can have serious repercussions on the offspring and on the couple and their lives as well. This book seeks to investigate how cultural realities can be addressed within intercultural premarital couples counseling. Using a cultural focus approach, couples' stories around their particular culture and relationship were analyzed. Themes related to relationship, family, and social ties, and parenting, bi-cultural and bi-racial children were examined. Issues of religious and social influence, money, race, ethnicity, extended family, immigration, and biases in family of origin are explored, as are roles and responsibilities, communication, respect, trust, and gender stereotyping. The book adopts a pastoral theological approach in working towards a deeper understanding of premarital relationships of partners who represent cultural difference and diversity. In conclusion,

recommendations to therapists and care givers for counseling intercultural couples are made *Graduate School and Beyond* Mark H.
