Tristan and Isolde Richard Wagner, 1981 English National Opera Guides are ideal companions to the opera. They provide stimulating introductory articles together with the complete text of each opera in English and the original. A landmark in Musical History is John Luke Rose's title for the introduction to this extraordinary piece of theatre. It belongs to the German tradition of mystical writing and a short note on the poem itself by Martin Swales and Timothy McFarland elucidates some of Wagner's literary techniques. Anthony Negus, who assisted Reginald Goodall on the WNO production of this opera, has contributed a penetrating analysis of the musical structure of the opera while Patrick Carnegie assesses the
