Turkish Civil Code Tusev:

European Union Civil Society Policy and Turkey O. Zihnioğlu, 2013-08-29 Drawing on interviews with Civil Society organizations and in conjunction with an examination of EU Civil Society Policy and the legal and institutional environment in Turkey this book examines EU policies on Turkish Civil Society organizations and highlights the significant constraints and limited impacts of these policies

Public Preferences and Institutional Designs Niva Golan-Nadir, 2021-12-10 This book explores the existence of gaps between public preferences and institutional designs in democracies and specifically cases in which such gaps are maintained for a long period of time without being challenged by the electorate Gaps such as these can be seen in the complex relations between the state and religion in Israel and Turkey and more specifically in their policies on marriage This line of investigation is interesting both theoretically and empirically as despite their poles apart policies Israel and Turkey share a similar pattern of institutional dynamics Existing explanations for this phenomenon suggested either civil society based arguments or intra institutional dynamics as reasons for the maintenance of such gaps This book enriches our understanding of policy dynamics in democratic systems by introducing a third line of argument one that emphasizes the effective role state institutions play in maintaining such arrangements for long periods often against the public will

Political Islam and the Secular State in Turkey Evangelia Axiarlis, 2014-06-20 How safe is Turkey's liberal democracy The rise to power in 2002 of the right leaning Islamic Justice and Development Party ignited fears in the West that Turkey could no longer be relied upon to provide a buffer against the growth of Islamic fundamentalism in the Middle East Once hailed by the West as a model of secularism and moderation in the Muslim world Turkey is now seen to be under the influence of the creeping Islamisation of the JDP or AKP as it is known in Turkey Yet to what extent has this affected the lives of Turkish citizens Evangelia Axiarlis here explores the contribution of the JDP to civil liberties and basic freedoms long suppressed by secular and statist Kemalist ideology and how this has remained unexamined despite more than a decade in government In this the first detailed study of the policies and ideology of Prime Minister Recep Tayyip Erdoğan's government the author examines the extent to which the JDP has worked to improve civil life in Turkey and

critically addresses whether a government built on Islamic principles can champion political reform Exploring how Islam and democracy are neither monoliths nor mutually exclusive this is a timely contribution to the wider understanding of political Islam Handbook on Philanthropy and Social Policy Roosa Lambin,Jonathan Roberts,Rebecca Surender,2025-06-09 This comprehensive Handbook considers the emergence of philanthropic foundations and institutions as increasingly crucial social policy actors It presents an interdisciplinary examination of modern philanthropies tracing their development and impact across global regions social policy sectors and policy making processes This title contains one or more Open Access chapters *The Treaty of Lausanne* Maria Gavouneli,Evanthis Hatzivassiliou,Panayotis Tsakonas,2025-07-27 This book explores the creation and legacy of the Treaty of Lausanne which marked the end of the First World War in the Near East as well as the end of the old Eastern Question It deals with the role political and legal of the Treaty in the international system its effects on the national policies of the Great Powers and of regional States the impact of economic issues and oil diplomacy along with its social repercussions in the compulsory exchange of Greek and Turkish populations The book brings together historians political scientists experts on international relations and scholars of international law to cast new light on the shaping of the contemporary Eastern Mediterranean and the Middle East and the interaction between the regional and the global It is valuable resource for academics and practitioners focused on all these areas of study *Public Management Reform in Turkey* Fatih Demir,2020-02-24 This book discusses the Europeanization of Turkish public administration since the early 2000s offering an analysis of the transformation and basic features and problems of Turkish public administration in relation to the EU accession process The book consists of six chapters and a conclusion The first chapter sets the stage by evaluating the public administration reforms in Turkey from the perspective of Europeanization and the European Administrative Space EAS The second chapter discusses the administrative procedures based on the European Union s Charter of Fundamental Rights and explains the EU s relationship with accountable government and democracy The third and fourth chapters examine the steps taken to improve civic participation in decision making processes and assess local governance reforms in Turkey with reference to Europeanization processes and the policy windows approach developed by Kingdon The next chapter addresses regionalization in Europe and its parallels in Turkey especially in the context of the foundation of regional development agencies Lastly the book presents the reactions to the fragmentation of government envisaged by New Public Management NPM reforms and describes practices beyond fashioning an integrated administration It also explores the transformation of the executive organ in terms of its change in status in relation to other centers of political power The conclusion provides an overview of the apparent oscillation of Turkish public administration in the 21st century in terms of Europeanization processes This book is useful for academics studying public administration public management reforms Turkish politics and the European Union as well as government and diplomatic professionals in Turkey and the EU especially those dealing with enlargement issues □□□□□□□□□□ □□□□□ □□ □□□□□□□□□□ □□□□□□□□ □□□□□□□□ □□□□□□□□

14-03-2024,□□□□□□□□ *Nationalism and Human Rights* G. Cheng,2012-02-14 By critically addressing the tension between nationalism and human rights that is presumed in much of the existing literature the essays in this volume confront the question of how we should construe human rights as a normative challenge to the excesses of modernity particularly those associated with the modern nation state or as an adjunct of globalization with its attendant goal of constructing a universal civilization based on neoliberal economic principles and individual liberty

The World Guide to CSR Wayne Visser,Nick Tolhurst,2017-09-08 The World Guide to CSR is the first book to provide comparable national profiles that describe the evolution and practice of Corporate Sustainability and Responsibility CSR for 58 countries and 5 global regions Each regional and national profile includes key information about the relevant CSR history country specific issues trends research and leading organizations The purpose of the book is to give CSR professionals including managers consultants academics and NGOs focusing on the social environmental and ethical responsibilities of business a quick reference guide to CSR in different regional and national contexts The need for the book is premised on the fact that CSR professionals and researchers more often than not have a multinational remit and are required to benchmark performance internationally but find that country specific CSR information is ad hoc limited or non existent Even where national CSR research exists it is often hidden in academic journals that practitioners cannot access or do not have the time or inclination to read The book is an edited volume with expert contributors from around the world all of whom have been screened and selected on the basis of their qualifications and experience in CSR Each regional country profile includes the following subsections CSR in context Priority issues Trends Legislation and codes Organizations Case studies Educational institutions References This unique resource will be an essential acquisition for all organisations who need to benchmark their CSR strategies throughout different regions and cultures and want the best possible intelligence on the key issues and concerns relating to corporate social responsibility in all of the markets in which they operate
