Requirements by Collaboration Ellen Gottesdiener,2002-04-10 Requirements by Collaboration Workshops for Defining Needs focuses on the human side of software development how well we work with our customers and teammates Experience shows that the quality and degree of participation communication respect and trust among all the stakeholders in a project can strongly influence its success or failure Ellen Gottesdiener points out that such qualities are especially important when defining user requirements and she shows in this book exactly what to do about that fact Gottesdiener shows specifically how to plan and conduct requirements workshops These carefully organized and facilitated meetings bring business managers technical staff customers and users into a setting where together they can discover evolve validate verify and agree upon their product needs Not only are their requirements more effectively defined through this collaboration but the foundation is laid for good teamwork throughout the entire project Other books focus on how to build the product right Requirements by Collaboration focuses instead on what must come first the right product to build

Humans Are Amazing Nicholas Audrey Moreno,2017-06-27 Most people think they know who they truly are but this is not so The truth is that we are only half of what we should be because we only use half of our body Most everyone uses their right hand throughout their lives What would happen if they also used their left hand just as well as their right hand It s time everyone realizes that they are incomplete both physically and mentally but if they use both hands equally they will discover the truth Humans Are Amazing There are many reasons we should train ourselves to use both our hands We would become physically stronger Mentally smarter Develop a stronger memory and better imagination Excel at such talents as music drawing and sports Enjoy better health This book explains how your body is only working at half capacity and uses detailed photographs and diagrams to illustrate these important points The future for mankind is here as we realize that Humans Are Amazing
