The Suburbs Marie Bouchet, Nathalie Cochoy, Isabelle Keller-Privat, Mathilde Rogez, 2022-02-01 While suburbs provide a rich field of research for sociologists architects urbanists and anthropologists they have not been given much attention in literary and cultural studies *The Suburbs New Literary Perspectives* sets out to enrich the limited existing body of critical analysis on the subject with a landmark collection of essays offering a far larger perspective than the books or collections published so far on the topic This interdisciplinary and wide ranging approach includes literary and art studies philosophy and cultural comment It examines the suburbs across cultural differences contrasting British South African and North American suburbs The specificity of this book therefore lies in a cross national and cross continental exploration of these uncharted territories The suburbs are redefined as those rebellious margins whose geographical borders are necessarily fuzzy and sketch out a common place where cultural frontiers can be transcended They are to use Sarah Nuttall's terminology places of entanglement where contraries meet and where new ways of being in the world is reborn Seen through the prism of art and literature the suburbs may then be recognized as philosopher Bruce B. Goot argues as a new way of thinking and making urban space
