Introduction to Research in Education Christine Knupp Sorensen, 2002

Essentials of Sociology David B. Brinkerhoff, Lynn K. White, 2005

Marriages and Families Karen Seccombe, Rebecca L. Warner, 2004 In this fresh more structural alternative to other texts for the marriage and family course Seccombe and Warner provide a comprehensive look at close relationships and the family in just 15 chapters Examining close relationships and families by placing them in social context the authors offer a unique emphasis on the structural and relational aspects of the family with a focus on family resilience The text weaves together a macro view social structural analysis of close relationships with the macro an individualist view The authors demonstrate the interaction of theory and methodology in family studies in Chapter 2 and blend cutting edge research and practical applications throughout Among the highlights of this first edition are the exceptionally thorough exploration of the topics of singlehood and cohabitation in Chapter 7 and the unique six chapter core 8 13 that focuses on all aspects of parenthood and the challenges and crises that families face today The authors emphasis on family resilience and how families can be strengthened is reflected in the Constructing Strong

Families boxes that appear throughout the text These features encourage students to apply groundbreaking research on what makes a family strong to their own families and in the concluding chapter Looking Ahead Helping Families Flourish which examines the factors that successful families regardless of ethnicity culture or social class consistently exhibit

American Government and Politics Today Steffen W. Schmidt, Mack C. Shelley, Barbara A. Bardes, 2000 This new condensed version of the author's best selling AMERICAN GOVERNMENT AND POLITICS TODAY which is popular across the country for its balanced unbiased and up to date coverage of constitutional governmental political social and economic structures and processes and for the way it encourages students to become involved in the political process covers the fundamentals offering less policy and analysis coverage and fewer features to distract readers from the basics of American Government Ie Soc Global Perspect Ferrante, 2002-07
