Dearolph USMC,2014-08-15 As the world s urban areas continue to increase in size the possibility of U S forces conducting military operations in urbanized terrain also increases However the weapon systems the U S procures and employs obtain maximum effectiveness in open terrain These weapons prove less capable in urban terrain since their standoff and precision advantages suffer degradation due to buildings and the fleeting nature of enemy personnel U S weaponry also causes a large amount of collateral damage that may also result in civilian casualties which proves politically unacceptable Potential adversaries of the U S realize these limitations and present a target set that proves difficult to locate and engage The target set the enemy uses in urban terrain consists of enemy combatants mixing with non combatants enemy snipers and special purpose teams Assets the U S possesses that can engage elements of the enemy s urban target set include U S Army and Marine Corps snipers However a determination on whether more snipers will effectively defeat the target set requires consideration This monograph analyzes the contemporary operating environment to articulate the enemy s urban target set Next a review of current U S Army and Marine Corps sniping doctrine organization and training establishes the foundation for presenting the sniper s capability to defeat the urban target set In order to provide a balanced argument other possible solutions to engaging and defeating the target set receive consideration Research shows that the sniper company organized at the division level achieves the desired effect of increasing the density of sniper teams on the urban battlefield The costs associated with the sniper company prove acceptable as it requires minimal expenditure concerning personnel and equipment The division sniper company will effectively counter the enemy s

urban target set without causing non combatant casualties **Sniper** Vaughn C. Hardacker, 2014-02-04 When a sniper kills four people on Boston Common Boston homicide detective Mike Houston and his partner Anne Bouchard are sent to investigate the case Amidst the blood and terror Houston discovers similarities likenesses the killer's positioning his choice of victims and his code of ethics between the crime scene and his own training as a US Marine scout and sniper And with the staging of the scene set for prime shock value Houston has to wonder what it is this murderer intends to accomplish The connection is confirmed in the worst possible way when the sniper strikes again this time killing Houston's ex wife severing what's left of the bond between Houston and his estranged daughter Susie It's personal now and as the death toll rises Houston and Bouchard will stop at nothing to find the cold blooded sniper who's making a mockery of their department In a final gesture of cat and mouse depravity the killer kidnaps Susie luring Houston to an island on a remote lake in Maine for a deadly sniper to sniper showdown Skyhorse Publishing as well as our Arcade Yucca and Good Books imprints are proud to publish a broad range of books for readers interested in fiction novels novellas political and medical thrillers comedy satire historical fiction romance erotic and love stories mystery classic literature folklore and mythology literary classics including Shakespeare Dumas Wilde Cather and much more While not every title we publish becomes a New York Times bestseller or a national bestseller we are committed to books on subjects that are sometimes overlooked and to authors whose work might not otherwise find a home Blood Warriors Col. Michael Lee Lanning, 2007-12-18 Rangers Green Berets SEALs Delta Force LRRPs Force Recon and the struggle of the best and the bravest to keep America free They're some of the toughest and most highly trained fighting men in the world going where no ordinary soldier would go and doing what no ordinary soldier would dare Outnumbered and outgunned operating in small teams of five or six deep in enemy territory far from help they rely on their wits their skills and each other to get out alive Blood Warriors is a penetrating no holds barred account of the training missions and history of the military elites who mold America's most dangerous and highly skilled warriors from the navy's SEALs and the Marine Corps Force Reconnaissance to the U S Army's Delta Force Rangers and Special Forces Here's an in depth look at each unit's methods and standards what's required and what it takes to survive and succeed Whether gathering intelligence capturing prisoners executing raids and ambushes or just creating havoc in enemy territory these men know that death is their constant companion and one small misstep could mean body bags for everyone Maybe that's why America calls them heroes
