Workplace and Home Collection Haydn Shaw,2016-10-01 This collection bundles 2 of popular author Haydn Shaw's books together in one e book for a great value Sticking Points This is the first time in American history that we have had four different generations working side by side in the workplace the Traditionalists born before 1945 the Baby Boomers born 1945 1964 Gen X born 1965 1980 and the Millennials born 1981 2001 Haydn Shaw popular business speaker and generational expert has identified 12 places where the 4 generations typically come apart in the workplace and in life as well These sticking points revolve around differing attitudes toward managing one's own time texting social media organizational structure and of course clothing preferences If we don't learn to work together and stick together around these 12 sticking points then we'll be wasting a lot of time fighting each other instead of enjoying a friendly and productive team Sticking Points is a must read book that will help you understand the generational differences you encounter while teaching how we can learn to speak one another's language and get better results together Generational IQ Why is my daughter drifting from

God Why can't I explain my life choices to my parents When will my son get a real job Within the last several decades the world has shifted dramatically The cracks of this fundamental shift appear everywhere in our economy in our cultural debates in our political landscape and most important in our churches The problem is we tend to overreact to these changes fearing that Christianity is dying We need better Generational IQ so we can respond to the changes but not be terrified by them We need a wise generational coach Haydn Shaw is that generational expert showing us the roots of this generational shift and how it affects every one of us Each generation whether it's the aging Boomers or the young Millennials approaches God with a different set of questions and needs based on the times in which they grew up Haydn walks you through these generational differences and paints a vision of hope for the future Decide One Thing Dave Ramos, 2013-07-15 One Big Idea Organizations have to be good at lots of things but the way to win is to become differentiatingly great at One Thing The one thing every executive team must decide is What is your One Thing Four Typical Responses Based on our experience we know that the Decide One Thing concept will get four different responses Some organizations will categorically reject the idea that they need to become great at One Thing Some will think it is cool but get distracted by the next cool idea or fad that comes along Some will embrace the concept for a time but give up because implementing it is too hard A few executive teams will fully commit to the Decide One Thing Align Everything Win model These organizations will generate incredible results 30 60 or 100 times their investment So which of the four responses will you have *Process Safety Management* Chitram Lutchman, Douglas Evans, Rohanie Maharaj, Ramesh Sharma, 2013-07-03 The continued prevalence of major incidents most recently the 2010 BP Gulf of Mexico Oil Spill and preponderance of workplace fatalities and injuries as well as Process Safety Management PSM Incidents globally begs the question why do incidents continue to occur in today's technologically advanced era More importantly with 80-85 percent of incidents being repeated the more obvious questions are Why do organizations fail to learn from prior incidents internal to the business Why do organizations fail to learn from their peers and other same industry players Why do organizations fail to learn from the incidents and experiences of other industries *Process Safety Management Leveraging Networks and Communities of Practice for Continuous Improvement* provides a road map organizations can use to identify and setup critical networks for preventing catastrophic incidents and for sharing knowledge in an organized manner within the organization to enhance business performance The book helps organizations establish centers of excellence by activating networks for generating best practices and practical solutions to workplace business and safety challenges The book covers the full range of activation of networks including identifying members defining goals and objectives and prioritizing work through leadership and stewardship of networks It addresses all elements of effective safety management and includes simple easy to follow processes that bring about lasting changes to workplace safety It also highlights the health and safety needs of both Generation X and Generation Y who currently inherit the workplace but are very different in learning behaviors and experience levels In a thin margins business environment

characterized by scarce resources operational discipline and excellence drives stakeholder confidence and corporate performance Detailing the practical application of tested principles and practices this book provides a simple path forward for organizations to recognize the benefits of networks and to proactively establish and support them within organizations to generate continuous and sustained improvement in work practices procedures and business performance *Failure Is Not an Option* David Rosell,2013-11 We all know that there are endless books on how to accumulate wealth and how to get out of debt However few resources teach what to do once you have reached the top even though you are faced with unique and potentially devastating risks as you begin the second half of your financial journey This book was written to fill that gap Through an unexpected melding of travel and even family stories coupled with financial survival tips *Failure Is Not an Option* will lay out the eight fundamental risks every retiree faces and help you create more certainty in the uncertainty of retirement In the process it will help you achieve far greater financial peace of mind since just like climbing mountain those who recognize and address these risks are most likely to safely and successfully complete their journey Don Yaeger sums up the the book with his quote A Road Less Traveled meets Think Grow Rich **#GREAT BOSSES tweet Book01** S.
