## **Tuning The Rig A Journey To The Arctic:**

**Tuning the Rig** Harvey Oxenhorn,1990 The author s journey to the Artic Ocean from Boston via Newfoundland Labrador and Greenland in search of humpback whales and the resulting voyage of personal discovery for an apprentice seaman on the Regina Maris

**Tuning the Rig** Fred Herron,2012-07-10 To tune the rig describes adjusting a ship s rigging the rig of a well tuned boat allows the sails to function well This task must be performed to ensure the best performance by the ship Tuning the Rig takes that metaphor as a guide for Catholic educators and administrators as well as for the larger church It argues from a variety of perspectives rooted in the Catholic imagination that the rig constantly needs to be re tuned to balance between visions of the church as teacher and learner Why should this matter to Catholic educators To Herron our understanding of the church as learner is at the heart of our understanding of ourselves as disciples One of the logical consequences of this era of baptismal consciousness is a rising awareness on the part of the laity that their task is not simply to pay pray and obey but to grow and journey in faith Herron s focus ranges from issues closely pertaining to Catholic schools to the larger questions of the Catholic imagination The underlying thread however is the challenge of maintaining the richness of the Catholic imagination of tuning the rig in changing times and the ordinary life of the church

**Tuning the Rig** Harvey Oxenhorn,Alice Hoffman,1991 Long out of print Tuning the Rig is a masterpiece of nautical adventure and natural history Harvey Oxenhorn had taught Conrad and Melville but never set foot on a tall ship until he boarded the Regina Maris His evocation of masts and spars canvas and rigging and of the living presence of the Regina Maris on the open ocean is some of the finest writing about life aboard ship this side of Patrick O Brian Tuning the Rig is a beautiful passionate examination of a man s coming to terms with himself with his fellows and with the diverse wonders of a fascinating arctic ecosystem

**Alongshore** John R. Stilgoe,1994-01-01 This cultural and historical study of the coast draws from a variety of sources to illuminate both the landscape of the shore and its place in American life The work scrutinizes the fishing boats lighthouses wharfs resorts shipwrecks and people to evoke the culture of the coast

**Encyclopedia of American Literature of the Sea and Great Lakes** Jill B. Gidmark,2000-11-30 The sea and Great Lakes have inspired American authors from colonial times to the present to produce enduring literary works This reference is a comprehensive survey of American sea literature The scope of the encyclopedia ranges from the earliest printed matter produced in the colonies to contemporary experiments in published prose poetry and drama The book also acknowledges how literature gives rise to adaptations and resonances in music and film and includes coverage of nonliterary topics that have nonetheless shaped American literature of the sea and Great Lakes The alphabetical arrangement of the reference facilitates access to facts about major literary works characters authors themes vessels places and ideas that are central to American sea literature Each of the several hundred entries is written by an expert contributor and many provide bibliographical information While the encyclopedia includes entries for white male canonical writers such as Herman Melville and Jack

London it also gives considerable attention to women at sea and to ethnically diverse authors works and themes The volume concludes with a chronology and a list of works for further reading *The Spiritual History of Ice* E. Wilson, 2003-05-15 At the end of the eighteenth century scientists for the first time demonstrated what medieval and renaissance alchemists had long suspected ice is not lifeless but vital a crystalline revelation of vigorous powers Studied in esoteric and exoterical representations of frozen phenomena several Romantic figures including Coleridge and Poe Percy and Mary Shelley Emerson and Thoreau challenged traditional notions of ice as waste and instead celebrated crystals glaciers and the poles as special disclosures of a holistic principle of being The Spiritual History of Ice explores this ecology of frozen shapes in fascinating detail revealing not only a neglected current of the Romantic age but also a secret history and psychology of ice Snow Falling On Cedars David Guterson, 1994-09-12 Winner of the PEN Faulkner Award American Booksellers Association Book of the Year Award Haunting A whodunit complete with courtroom maneuvering and surprising turns of evidence and at the same time a mystery something altogether richer and deeper Los Angeles Times San Pedro Island north of Puget Sound is a place so isolated that no one who lives there can afford to make enemies But in 1954 a local fisherman is found suspiciously drowned and a Japanese American named Kabuo Miyamoto is charged with his murder In the course of the ensuing trial it becomes clear that what is at stake is more than a man s guilt For on San Pedro memory grows as thickly as cedar trees and the fields of ripe strawberries memories of a charmed love affair between a white boy and the Japanese girl who grew up to become Kabuo s wife memories of land desired paid for and lost Above all San Pedro is haunted by the memory of what happened to its Japanese residents during World War II when an entire community was sent into exile while its neighbors watched Gripping tragic and densely atmospheric Snow Falling on Cedars is a masterpiece of suspense one that leaves us shaken and changed Compelling heart stopping Finely wrought flawlessly written New York Times Book Review **Jim Kobak's Kirkus Reviews** ,1990 Harper's ,2000 Our home : the estuaries James A. Kolb,1996 *The New York Times Book Review* ,1991-07 Tides and the rocky shore James A. Kolb,1996 *Ocean currents and the open ocean* James A. Kolb,1996 *Appalachia* ,1990 **The deep sea** James A. Kolb,1996 **The Boston Globe Index** ,1990 **Yankee** ,1990 *Kirkus Reviews* ,1990 Adult books are categorized by genre i e fiction mystery science fiction nonfiction Along with bibliographic information the expected date of publication and the names of literary agents for individual titles are provided Starred reviews serve several functions In the adult section they mark potential bestsellers major promotions book club selections and just very good books in the children s section they denote books of very high quality The unsigned reviews manage to be discerning and sometimes quite critical **Marine Science** James A.
