*Right Brain/Left Brain President* Mary Lou Décosterd, 2010-04-09 This intriguing analysis examines an aspect of President Obama that falls outside of his ethnic background his political career or policies how his unique leadership style comes from his extraordinary ability to use both halves of his brain to maximum potential Right Brain Left Brain President Barack Obama s Uncommon Leadership Ability and How We Can Each Develop It is an inspirational guide to leadership as it should be practiced conveyed through an up close look at the man who sets the new leadership bar Author Mary Lou D costerd uses her Right Brain Left Brain Leadership

Model to frame Barack Obama's leadership skill sets Her book shows that Obama's unique brand of leadership is the result of his extraordinary ability to leverage full brain potential in the ways he thinks decides and acts Right Brain Left Brain President examines Obama's life and the Obama phenomenon analyzing how he rose to prominence so quickly and what that teaches us The president is used as an example of the ten full spectrum behaviors the must have leadership skills that make one an extraordinary leader To help readers emulate the Obama model and become the most consummate leaders possible D costerd discusses how each of us can learn to lead from both right and left brain abilities      **Teaching for the Two-Sided Mind** Linda V Williams,1986-05-15 A guide to Right Brain Left Brain education      Learning Theories David C. Leonard,2002-12-30 Swift changes in educational technology are transforming the landscape of our society and how we transfer knowledge in a digital world Teachers administrators and education students need to stay abreast of these developments Yet while the new educational software technologies and networks may be available the learning theories and methods required to take complete advantage of the tools are often neglected Learning theories are a crucial element of education studies for anyone involved with students from pre school to higher education and business training This book is a substantive dictionary of over 500 terms relating to learning theories and environments Definitions range from approximately 100 to 700 words and each term is identified by the primary type of learning theory to which it applies cognitivism constructivism behaviorism humanism or organizational learning An annotated bibliography provides further resources to the most important writings about learning theories      **Turned on and Tuned Out** John K. Kriger,2014-05-23 A West Coast college student withdraws from school at the end of his third year because his class schedule was interfering with his World of Warcraft gaming sessions Relationships are deteriorating and depression potentially increasing in those extensively involved in social networking The accumulated hours of wasted human potential are staggering In some cases workers spend hours playing games well into the early hours of the next morning and as a result can barely function the next day Many tell me how often they require a caffeine boost or energy drink to give them the energy to function after spending half the night playing video or online games With full awareness of all of the benefits of technology John Kriger takes the risk to examine the negative ways many people are using technology today This practical examination takes nothing away from modern advances but confronts head on the potentially negative impact of constant texting hyper gaming social isolation and other potentially destructive behaviors      The Brain Book Peter Russell,2013-08-21 First published in 1980 Routledge is an imprint of Taylor Francis an informa company      **Survive Downsizing** Donald J. Minnick Ph. D.,2009-09 Discusses qualities and techniques that will help you survive a company restructure Includes advice on what to do if you lose your job

Eventually, you will utterly discover a additional experience and carrying out by spending more cash. nevertheless when? do you acknowledge that you require to get those all needs once having significantly cash?
