gave me insight and knowledge on how credits are applied Some questions in your book helped me answer ones on the test
Good book I ll go through it once again when I appear for AP Haresh Vibhakar AIIA India AIA LEED Green Associate
Architect A good outline The book is an excellent outline to learn the necessary items required to study for the exam It is not
a comprehensive study guide in and of itself Practice exam is good indicator of test preparation Paul Levine Solid LEED
Study Guide This is the kind of book I wish was available when I did my original LEED AP exam It teaches you how to study
which is so important when school is a distant memory The bulk of the book helps you review and memorize with mnemonics
the concepts for each credit that you need to know for the exam The questions are good representations of questions on the
exam I would recommend to anyone studying for their exam that they First read the chapters in this book on how to study
Second read the actual LEED BD C guide to give you the background information on the credits and gain comprehension
Underline and review as the author indicates to get the most out of your study time Finally read the rest of this exam guide to
help you review and memorize for the exam missfitz missfitz Very Helpful Guide Gang Chen s LEED BD C Exam Guides very
helpful in consolidating information from USGBC and GBCI sources as well as providing the information that is necessary for
the exam without excess irrelevant information I highly recommend this book for preparation for the LEED BD C exams
