addresses the crime related personal navigation systems employed by urban residents whenever they circulate through the city While handsome space embraces the powers of attraction instant space operates through the powers of fleeing In both regimes security is conceived not as a public good but as a situational experience that can No longer reducible to the after pains of racial apartheid this city s fragmentation is now better conceptualized according to Hentschel as a heterogeneous ensemble of bubbles of imagined safety *Energy and Environmental Concerns*, 2006 National Research Council (U.S.).
