Sociological Abstracts Leo P. Chall,1994 *Africa Centered Reality Therapy and Choice Theory* Elijah Mickel,2005 This book is based on a paradigm that historically as well as intuitively reaffirms therapists as healers Its objective is to integrate theory and practice related to choice theory and reality therapy from an African centered perspective In the final an Applying Counseling Theories Aaron B. Rochlen,2007 Applying Counseling Theories An Online Case Based Approach offers the power of the Web and the promise of a true understanding of counseling theories Unique in product design and intellectual approach it combines a book interactive cases and web based learning into one innovative product A central goal of this product is to help readers grasp the fundamental principles that govern the application of 16 counseling theories From Freud to Feminism the authors distill each theory into core principles for applying each theory Each chapter translates the formal concepts assumptions and techniques of the theory into user friendly guidelines for working with clients Reading the book one learns the essence of applying each theory and can delve into the original theorist s work comprehensive theory books or eclectic counseling approaches with clarity and understanding Each chapter is authored by a counselor or therapist who uses that particular theory as a foundation for his or her work with clients Three compelling video cases on the companion website [www.prenhall.com/rochlen](http://www.prenhall.com/rochlen) capture the intake interviews of three diverse clients ranging in age from 17 to 54 and their unique presenting problems and concerns From each theoretical perspective users of the website are scaffolded through an analysis of the video cases to help them conceptualize each case using the foundational concepts discussed by the authors in the book Flexible enough to support any core theories text it is also simple enough for all course delivery modes Using this multi sensory approach readers learn what therapists do why they do it and how basic theories can be applied in clinical settings

*Journal of Applied Rehabilitation Counseling* ,1989 **Theories of Psychotherapy and Counseling** Richard S. Sharf,1996 Case examples and therapist client dialogues show how each of 12 major theories can be applied to common psychological disorders such as depression anxiety and borderline disorders or to modes of treatment such as individual couples families and groups Each theory chapter follows a similar organizational scheme covering goals assessment the

therapeutic relationship techniques research current trends time limited approaches and multicultural and gender issues Comparison critique and theoretical integration are provided in the final chapter     A Case Approach to Counseling and Psychotherapy Gerald Corey,2000-03     **Introduction to Counseling** Michael S. Nystul,2006 This book provides an overview of the counseling profession It is written from the perspective of counseling and psychotherapy as both an art and a science The first of the book presents an overview of counseling and the counseling process The second part of the book provides information on formulating a personal approach to counseling with a multicultural perspective The third part of the book addresses special approaches and settings for counselors     **Clinical Handbook of Depression** Janice Wood Wetzel,1984     **Perspectives on Theory for the Practice of Occupational Therapy** Kay F. Walker,Ferol Menks Ludwig,2004 An updated edition of Perspectives on Theory for the Practice of Occupational Therapy this current edition provides a thorough review of selected theorists whose lives and works have influenced the direction and development of clinical practice in occupational therapy     Learning and Communication Disorders American Psychological Association,1982 4035 entries to journal articles and monographs published between 1971 1980 Intended for parents educators researchers and practitioners Sources were publications from all countries in fields of psychology education medicine and social sciences Classified arrangement Each entry gives author title abstract author s institution and bibliographical information Subject author indexes     **The Play Therapy Primer** Kevin J. O'Connor,2000-05-22 The clinically indispensable guide to using play in therapy revised and updated Featuring new approaches developed since the publication of the successful first edition The Play Therapy Primer Second Edition offers health care professionals and students a balance of fundamentals theory and practical techniques for using play in therapy Providing an ecosystemic perspective the book defines distinctive approaches to the practice of play therapy that readers can integrate into a personalized and internally consistent theory and practice of their own This timely resource also includes increased coverage of developmental issues and a new chapter discussing diversity issues with case examples Presenting stimulating and useful information for therapists at all levels of training The Play Therapy Primer covers A history of play therapy The major theories of play therapy in use today Ecosystemic Play Therapy theory and practice A conceptual framework for the practice of individual play therapy The course of individual play therapy Structured group play therapy Session by session treatment plans     *Counseling and Psychotherapy* Dave Capuzzi,Douglas R. Gross,1999 Designed for students who are beginning their study of individual counseling and psychotherapy this book provides the foundation students need to make decisions about follow up study of specific theories and to develop their own personal theory of counseling and psychotherapy
