Trials from Classical Athens Christopher Carey,1997 Content Description Includes bibliographical references and index

Character Evidence in the Courts of Classical Athens Vasileios Adamidis,2016-11-25 There has been much debate in scholarship over the factors determining the outcome of legal hearings in classical Athens Specifically there is divergence regarding the extent to which judicial panels were influenced by non legal considerations in addition to or even instead of questions of law Ancient rhetorical theory and practice devoted much attention to character and it is this aspect of Athenian law which forms the focus of this book Close analysis of the dispute resolution passages in ancient Greek literature reveals striking similarities with the rhetoric of litigants in the Athenian courts and thus helps to shed light on the function of the courts and the fundamental nature of Athenian law The widespread use of character evidence in every aspect of argumentation can be traced to the Greek ideas of character and personality the inductive method of reasoning and the social political and institutional structures of the ancient Greek polis According to the author s proposed method of interpretation character evidence was not a means of diverting the jury s attention away from the legal issues instead it was a constructive and relevant way of developing a legal argument

The Least of These Carla Swafford Works,2020-01-16 Jesus cared for the least but did Paul The apostle Paul has a reputation for being detached from the concerns of the poor and powerless In this book Carla Swafford Works demonstrates that Paul s message and ministry are in harmony with the teaching of Jesus She brings to light an apostle who preaches and models good news to the least of these the poor the marginalized the disadvantaged and the vulnerable The Least of These begins by highlighting the presence of the marginalized in Paul s ministry by looking at poverty in Paul s churches the involvement of slaves and freedpersons in the community and the role of women in the Pauline mission Works then examines the significance of the marginalized in Pauline theology by investigating how the apostle employs metaphors

of the least Like Jesus Paul cared deeply for people at the margins Paul's ministry is consistent with that of Jesus Both men cared for the poor Paul served the least in his mission modeling his apostolic ministry after the cross of Christ Works shows that Paul far from being an abstract thinker was a practical theologian teaching a message and leading a life of compassion kindness and care

Jairus's Daughter and the Female Body in Mark Janine E.
