Of the many names of God commonly used in the Bible and other sacred literature none is God's real name. Every God name including YHWH reflects only one of God's many aspects such as the loving creator, the militaristic authoritarian, or the all-knowing judge. None embodies the wholeness, the totality, the full Essence of God. Who then are we to speak to when we seek God? If you can't truly know something until you know its name, how can we truly know God? The culmination of years of translation research and etymological investigation, Rabbi Wayne Dosick's work digs through many layers of presumption and deeply ingrained beliefs to reveal the real name of God hiding in plain sight in the Bible: Anochi. He shows how this sacred name unites all religions, both of the West and the East. The name Anochi enables us to finally meet the whole, complete, real God, both the grand God of the vast universe and the God of breath, soul, and heart who dwells within each of us. This in-depth exploration of God's name includes spiritual techniques, poems, guided prayers, and meditative chants to bring each of us into personal, intimate, and purposeful relationship with God. By knowing the real name of God, we can affirm the connection to the Divine at the core of our being. We can touch the face of God that resides deep within us all. God, the Devil, and Harry Potter John Killinger, 2002-12-23. A noted Presbyterian minister takes up arms for Harry against his conservative critics. The Harry Potter books have aroused heated discussion among the branches of Christianity, with fundamentalists deploring them to the extent that a minister torched them in a holy bonfire, calling them an abomination. **Library Journal**, 2002. **The Publishers Weekly**, 2002. **The Catholic Periodical and Literature Index**, 2003. Christian Register and Boston Observer, 1904. *The Narration of Creation* R.E. Franzen M.Div. BCC, 2025-01-26. Imagine sitting at the feet of Jesus with Him telling you His very own story of how He created you. Who better to tell God's story about you than God Himself? How do we hear the purity of that story? The Narration of Creation shares a progression through God's revelation of the Genesis creation in a fresh, inspirational way. It describes two lenses in which we interpret through, and the contrast between the two God intended. His story to unfold from His perspective, a top-down perspective rather than from the usual ground-up viewpoints. This study reveals the very person and nature of God Himself and, in doing so, offers new contributions to our understanding of God's creation story. Hearing the purity of the creation narrative allows you to discover your true identity, find security and belonging, and feel valued and loved beyond measure. Uplifting and enlightening, this devotional style study invites you to view the creation story through the lens of God's attributes and nature. Mind, 1899.
