With Child Andy Martin, 2019-09-10 With a foreword by Lee Child Andy Martin spent a year in the company of Lee Child creator of tough guy hero Jack Reacher With Child is the diary of their adventures tracking the publication and reception of Make Me the writing of Night School at an apartment in Manhattan the filming of Never Go Back in New Orleans all the agony and ecstasy of the creative process and the sheer hard work of selling a bestseller They go on the road together from TV studios to bookstores from Harvard to Stockholm amid literary conferences and gunshows rivalries and reviews ranging from adulatory to murderous We meet fellow writers like Stephen King and David Lagercrantz and Karin Slaughter and dissect the latest novel from Jonathan Franzen But Martin also reaches out to Child's legion of readers in America and around the world He tracks down a woman in Texas whose name appears in the home invasion scene in Make Me he goes up a mountain in Montana in search of the only reader who thinks Reacher is a lightweight and he talks to obsessive fans from Europe to South Africa who find salvation or consolation in the colossal form of Jack Reacher This compelling account of life on the road with Lee Child demonstrates that readers are just as important as writers in the making of modern fiction

Bowker's Guide to Characters in Fiction 2007, 2008-02 **Killing Floor** Lee Child, 2006-04-25 THE FIRST NOVEL IN LEE CHILD'S 1 NEW YORK TIMES BESTSELLING JACK REACHER SERIES NOW AN ORIGINAL SERIES ON PRIME VIDEO From its jolting opening scene to its fiery final confrontation Killing Floor is irresistible People Ex military policeman Jack Reacher is a drifter He's just passing through Margrave Georgia and in less than an hour he's arrested for murder Not much of a welcome All Reacher knows is that he didn't kill anybody At least not here Not lately But he doesn't stand a chance of convincing anyone Not in Margrave Georgia Not a chance in hell *Noir Fiction and Film* Lee Clark Mitchell, 2021 The argument of Noir Fiction and Film is curiously counterintuitive that in a century of hard-boiled fiction and detective films characteristics that at first seemed trivial swelled in importance flourishing into crucial aspects of the genre Among these are aimless descriptions of people and places irrelevant to plot along with detectives consisting of little more than sparkling dialogue and flippant attitudes What weaves together such features however seems to be a paradox that a genre rooted in

solving a mystery structured around the gathering of clues must do so by misdirecting our attention even withholding information we think we need to generate the suspense we also desire Yet successful noir stories and films enhance that suspense through passing diversions descriptive details and eccentric perspectives rather than depending on the center pieces of plot alone suspected motives or incriminating traces As the greatest practitioners of the genre have realized the how of detective fiction its stylistic detours draws us in more insistently than the what or the who its linear advance And the achievement of recent film noir is to make that how become the tantalizing object of our entire attention shorn of any pretense of reading for the plot immersing us in the diversionary delight that has animated the genre from the beginning
