Rimson, 2022-11-03. The content of this book has the intent to somehow expose the nature of God and his unparalleled ability to laugh. God's initial purpose and the most visible reason for God laughing in contrast to scripture is really only displayed for one reason, and that is when he makes fun and laughs at the calamity of the unrighteous because he sees that their day is coming for recompense and retribution. However, in conjunction with God laughing at the wicked in regards to their sinister plots to eradicate God's chosen people, God also displays a sense of humor when he deals divinely and sovereignly with his children, even though his sense of humor is oftentimes dry. It's God's unique humor, nonetheless. However, it is this godly sense of humor that periodically leaves us, his children, chuckling at his ideologies, his peculiar way of doing things. **God's**

Oftentimes, adults, parents, grandparents, and teachers feel uncomfortable answering them. Through fantasy, involvement, and the imagination, Sandy Sasso and Annette Compton invite children of all faiths and backgrounds to encounter God openly through moments in their own lives and help the adults who love them to be a part of that encounter. This book provides a gift of images that nurtures and encourages children in making meaning of their world. With over 100,000 copies in print, God's Paintbrush remains one of the most popular spiritual books for children of all faiths and backgrounds. This special anniversary edition includes new ideas for interaction between adults and children and an important new message from the author.
