What Radical Husbands Do:

What Radical Husbands Do Regi Campbell, 2014-05-05 *What Radical Husbands Do* is a book written by a man for men. It gives people things to DO not to BE. No psycho babble, religion, or feel-good frills. Just straight-up advice from a guy who has screwed up and learned how to make his marriage work through hard times. Marriage isn't a game of chance. Are you willing to put your chips on the table and go all in to win and keep your wife's heart? This book shows you how. *What Difference Does a Husband Make?* Elizabeth D. Heineman, 2003-02 A pathbreaking book. Nothing else attempts the broad sweep or comprehensive vision that Heineman offers in this book. Robert Moeller, author of *Protecting Motherhood* **Tackle What's**

Next Eric Wood, 2022-10-04 Transform the next chapter of your life into the best one yet. In *Tackle What's Next: Own Your Story, Stack Wins, and Achieve Your Goals in Business and Life*, NFL veteran and motivational speaker Eric Wood delivers an inspirational and insightful take on how you can prepare for the next big thing in your life. Whether you're riding high or feeling low, the author shows you how to make your What's Next into your best yet. In the book, Wood draws on his own experiences transitioning out of his NFL career and provides you with the tools you need to achieve success in your own circumstances. You'll explore how to pivot between opportunities when life forces you to unexpectedly change direction. Strategies for closely examining what you're good at, what you're great at, and what you can contribute to the world with your unique combination of gifts and talents. Ways to adjust your perspective to maintain resilience and toughness in the face of adversity. A can't-miss read for anyone looking for proven and straightforward ways to make the next chapter of their life even more exciting than what's come before. *Tackle What's Next* is your own personal handbook to achievement, resilience, and success. **Equal** Katia Adams, 2019-09-01 In *Equal*, Church and ministry leader Katia Adams argues that the church has too often misrepresented the heart of Jesus to release and empower women and men. With sensitivity to both sides of the argument, Adams draws on the wisdom of Scripture, theology, and the Holy Spirit. Blending them with her own personal experiences, she asserts that both women and men are equally called to serve and lead in the church and in the world, and that by restricting the roles of women, we are missing God's design for the church and for the gospel's impact on the earth.

Tales of a Recalcitrant Husband and His Journeys Givon Zirkind, 2002-10 Compressed in WinZip zip file **Breast Cancer Husband** Marc Silver, 2004-09-29 A unique must-have resource with medical information, practical tips, psychological insight, and coping strategies to help men help the women they love through the challenges of breast cancer. With a wonderful blend of empathy, humor, and information, *Breast Cancer Husband* is a buddy and an on-call support group for men who love women with breast cancer. Hester Hill Schnipper, oncology social worker and author of *After Breast Cancer*. Featuring a foreword by medical oncologist Frederick P. Smith, M.D. More than 300,000 women are diagnosed with breast cancer each year in the United States. In 2001, Marc Silver's wife became one of these women when a routine mammogram revealed early-stage breast cancer. Marc's lackluster response to the news, "Ew, that doesn't sound good," led to a realization

There was no book with the advice and information he so desperately needed as a frightened and helpless breast cancer husband. Naturally, he decided to write his own. Through his years as an award-winning consumer journalist and veteran of the News You Can Use staff at U.S. News World Report, Marc learned what kind of information and advice on medical crises readers found most valuable. He draws on that experience as he covers in depth all the issues that couples coping with breast cancer will have to face during diagnosis, treatment, and beyond, including shared experiences of other breast cancer husbands, guidance from top doctors in the country, advice on when, how, and what to tell your young children, tips on coping with radiation and chemotherapy, candid discussions of sex and intimacy following breast cancer surgery. With *Breast Cancer Husband*, Marc has created the emotionally supportive and useful resource he wished he had been able to consult one that gives men the tools they need to help their wives, their families, and themselves through this scary and uncertain time. **The New Spirit-Controlled Woman** Beverly LaHaye, 2005-07-01 LaHaye's classic book *The Spirit Controlled Woman* sold more than 810,000 copies. Updated and expanded, *The New Spirit Controlled Woman* is sure to reach a new generation of readers with its timeless message of personal growth. Exploring the basic temperaments—melancholy, sanguine, choleric, phlegmatic—Beverly helps women discover their strengths and weaknesses and reveals how the Holy Spirit maximizes and minimizes these to fulfill God's purpose. Readers will discover how temperaments impact being single, being married, love, life, communication, ministry. *The New Spirit Controlled Woman* shows readers that God loves them, that He has wonderful plans for them, and that He provides the power and drive needed to fulfill His will. *Ephesians (Catholic Commentary on Sacred Scripture)* Peter S. Williamson, 2009-12-01 In this third volume of the *Catholic Commentary on Sacred Scripture* (CCSS), Peter Williamson interprets *Ephesians* for pastoral ministers and lay readers alike. This volume, like each in the series, relates Scripture to life, is faithfully Catholic, and is supplemented by features designed to help readers understand the Bible more deeply and use it more effectively in teaching, preaching, evangelization, and other forms of ministry. **The 44th President** Gabriel Kwashie Kofie, 2011-12 *The Christian Husband* Bob Lepine, 2009-09-01 *FamilyLife Today* cohost Bob Lepine takes men deeper into what it means to be a Christlike husband. Providing a clear explanation of the spiritual priorities for any godly husband, he supplies practical pointers for making real-life changes. Readers will learn exactly what God expects from them according to biblical principles, not cultural fads. Discover the advice and teachings offered by Bob Lepine and other men who are seeking to follow the divine call of God to truly be a Christian husband and learn how to put it into practice.
