What White Boyz Want:

White Boyz Blues Kenneth Lincoln, 2007-10-01 A memoir of a father's pain, humor and healing as he learns to embrace a new masculinity down West. How does a white male raised in the hardscrabble culture of the West learn to raise a young daughter on his own? In this unconventional memoir, contemporary Native American scholar Kenneth Lincoln relates his struggle to embrace a new masculinity in the late twentieth century. Through a poignant combination of poems, letters and his own unique voice, Lincoln shares the story of his life, the death of family and close friends, love, divorce, depression and through it all, the headstrong daughter who becomes the center of his world.

How to Slowly Kill Yourself and Others in America Kiese Laymon, 2020-11-10 A New York Times Notable Book. A revised collection with thirteen essays, including six new to this edition and seven from the original edition by the star in the American literary firmament with a voice that is courageous, honest, loving and singularly beautiful. NPR Brilliant and uncompromising, piercing and funny. *How to Slowly Kill Yourself and Others in America* is essential reading. This new edition of award-winning author Kiese Laymon's first work of nonfiction looks inward, drawing heavily on the author and his family's experiences while simultaneously examining the world: Mississippi, the South, the United States that has shaped their lives. With subjects that range from an interview with his mother to reflections on Ole Miss football, Outkast and the labor of Black women, these thirteen insightful essays highlight Laymon's profound love of language and his artful rendering of experience, trumpeting why he is simply one of the most talented writers in America. New York magazine.

The Chosen One Echo Brown, 2022-01-04 This memoir filled with overwhelming emotions and power. The Mary Sue testifies to the disappointments and triumphs of a Black first-generation college student in a predominantly white institution. There are many watchers and they are always white. That's the first thing Echo notices as she settles into Dartmouth College. Despite graduating high school in Cleveland as valedictorian, Echo immediately struggles to keep up in demanding classes. Dartmouth made many promises it couldn't keep. The campus is not a rainbow-colored utopia where education lifts every voice. Nor is it a paradise of ideas, an incubator of inclusivity or even an exciting dating scene. But it might be a portal to different dimensions of time and space, only accessible if Echo accepts her calling as a Chosen One and takes charge of her future by healing her past. This remarkable challenge demands vulnerability, humility and the conviction to ask for help without sacrificing self-worth. In mesmerizing personal narrative and magical realism, Echo Brown confronts mental illness, grief, racism, love, friendship, ambition, self-worth and belonging as they steer the fates of first-generation college students at Dartmouth. *The Chosen One* is an unforgettable
