Don't Fix Me; I'm Not Broken
Sally Patton, 2011-06-16 Parenting from unconditional love rather than fear means recognizing the spiritual truth of our children rather than focusing on brokenness and deficits No child is a mistake no child is broken Don t Fix Me I m Not Broken teaches the perspective that parenting is a spiritual classroom in which parents can learn to parent from a place of

inner peace no matter what struggles their children are having When we trust God's voice of oneness in the world as it works through us and through our children we learn to accept what is We can either buy into the traditional stories about these labels or choose peace instead Parents of children with labels or any child who is struggling or just being every day difficult can either embrace this opportunity for spiritual growth or stay stuck in the anger pain and the sadness It is a choice

Figuring Maria Popova, 2020-01-28 NAMED A BEST BOOK OF THE YEAR BY ESQUIRE AND BOOKPAGE *Figuring* explores the complexities of love and the human search for truth and meaning through the interconnected lives of several historical figures across four centuries beginning with the astronomer Johannes Kepler who discovered the laws of planetary motion and ending with the marine biologist and author Rachel Carson who catalyzed the environmental movement Stretching between these figures is a cast of artists writers and scientists mostly women mostly queer whose public contribution have risen out of their unclassifiable and often heartbreaking private relationships to change the way we understand experience and appreciate the universe Among them are the astronomer Maria Mitchell who paved the way for women in science the sculptor Harriet Hosmer who did the same in art the journalist and literary critic Margaret Fuller who sparked the feminist movement and the poet Emily Dickinson Emanating from these lives are larger questions about the measure of a good life and what it means to leave a lasting mark of betterment on an imperfect world Are achievement and acclaim enough for happiness Is genius Is love Weaving through the narrative is a set of peripheral figures Ralph Waldo Emerson Charles Darwin Elizabeth Barrett Browning Herman Melville Frederick Douglass Nathaniel Hawthorne and Walt Whitman and a tapestry of themes spanning music feminism the history of science the rise and decline of religion and how the intersection of astronomy poetry and Transcendentalist philosophy fomented the environmental movement Do What You Want Nicholas Bate, 2012-08-21 This book explains the seven steps that can help you manage control and maintain a career that will help fulfil your goals and ambitions Whether you are unemployed and planning your next move a graduate planning your future or an employee planning your escape this smart book is packed with practical life changing advice that is simple and straightforward to apply The vital guidance will help you understand and adapt to the realities of the job market today and develop a focussed and realistic career plan for a secure future *So You Want to Know the Truth* Nithyananda (Paramahansa.), 2007 **The Power of One** Anette Ejlsing, 2011-01-01 We do not like to talk about loneliness We like even less to talk about the fact that the experience that faith does not automatically heal it This is a problem but what if it does not have to be that way What if we can tap into loneliness as a source of personal empowerment In *The Power of One* Anette Ejlsing makes exactly this case Relying on personal stories she first shows why romantic spiritual and social loneliness are particularly difficult to understand in the context of Christian faith She then reflects theologically on these three kinds of loneliness and describes it as a mystery that faith both does and does not heal them In response to this mystery she suggests thinking about loneliness as a privilege Arguing from the perspective of a theology of suffering she

encourages each of us to tell our stories of loneliness from the perspective of the end God has in mind for us This means accepting and embracing loneliness as a means through which God raises us up and strengthens us to persevere in joy and faith Learning to do this is a privilege that gives us the opportunity to experience loneliness as a source of personal empowerment
