it's becoming more important for a Christian to know what they believe and why they believe it. In *Transformed Thinking* Tom Wheeler clearly lays out the most fundamental beliefs of Christianity and compares them to other worldviews providing arguments to support his beliefs. Even though this book is purposed for the classroom setting it would be a beneficial read for any believer who wants to have a firm foundation on which to share their beliefs with unbelievers. From the beginning of the world to the inerrancy of Scripture *Transformed Thinking* will provide you with solid answers for your faith. Advance Praise for *Transformed Thinking*: *Transformed Thinking* is a veritable encyclopedia of knowledge that provides foundational aspects in developing a Christian worldview. Dr. Sidney Dyer, Ph.D., Professor of Greek and New Testament, Greenville Presbyterian Theological Seminary. In the years I've taught high school seniors Tom Wheeler's *Transformed Thinking* has proved to be truly effective in establishing and strengthening Biblical thinking in a world full of opposing views. Dr. Drew Conley, Ph.D., Pastor for Preaching and Teaching, Hampton Park Baptist Church, Greenville, SC.

Redemptive Service Lisa P. Stephenson, Ruthie Wienk, 2024-10-29 This book introduces readers to redemptive service, benevolence, and the pursuit of justice. Bringing together expertise in Christian theology and sociology, Lisa Stephenson and Ruthie Wienk write from the conviction that service to others, especially those who are disenfranchised and impoverished, is central to our identity and mission as Christians. *Redemptive Service* articulates the biblical theological and sociological foundations of service and explains why it is an important part of true Christian identity. The authors use the parable of the good Samaritan to frame redemptive service as a twofold process. First, true Christian service must emerge from a genuine love of our neighbor, which can only come about when service emerges from a Christian worldview. Second, our vision must be accompanied by intentional and informed action. We must discern and respond to the cries for help that surround us through relief, development, and advocacy work. The authors highlight why we should engage in service while providing readers with a framework to use when deciding whom to serve and how to serve well.

Street Smarts Gregory Koukl, 2023-09-12 How to engage in productive conversations with those who challenge your Christian convictions. Gregory Koukl's best-selling book of practical apologetics. *Tactics* wrote the game plan for discussing your Christian convictions with skeptics. In this follow-up, Koukl, a leader of clear thinking, Christianity reveals the fundamental flaws in common current challenges to Christian beliefs and values and provides step-by-step strategies to question and reveal those shortcomings. *Street Smarts* offers model questions and sample dialogues to help guide believers in persuasive conversations about hot button issues like Relativism, The trustworthiness of Scripture, The claims of the Gospel, Abortion, Marriage, sex, and gender. This book will teach you how to tackle those discussions that believers often avoid because they feel out of their element, vulnerable, or exposed. Lucid, well-organized, and easy to follow, *Street Smarts* provides a specific set of questions, the same questions Koukl uses in his own encounters that are embedded in sample mini dialogues that you can use to have fruitful debates with non-believers.
