Proceedings Philadelphia County Medical Society, 1904 *Hanging by a Thread* Samuel Wells, 2017-11-01 This brilliant series of theological reflections from internationally known scholar and Anglican cleric Samuel Wells reflects on the challenges of our understanding of Christ's crucifixion that arise today using contemporary ideas in history biblical studies and philosophy Wells deals with such questions as Does the improbability of one event having significance for everything everywhere for all time leave our faith hanging by a thread Does the possibility that elements of the story did not actually happen leave our Christian heritage hanging by a thread Does the history of persecution that flowed from the classical belief that the Jews were responsible for Jesus' death leave our morality hanging by a thread After reflecting upon six biblical stories Wells discovers that the cross has an enduring power to shape how we live how we relate

to one another and how we allow ourselves to be enfolded in God's story *Inexplicable Hearts* Icee Lace Lim, 2024-01-20

Crispell, 2023-06-06 A sweet effervescent rom com. Readers will be enchanted. Jenn Bennett, author of *Alex Approximately*.
When the perpetually single daughter of a magical matchmaker reconnects with the boy she's pretended to be in a relationship with for over a year, she may finally have met her match. Imogen Finch has never been in love despite being the daughter of a matchmaker. Her only relationship to date was a fake one with a near stranger named August Tate that she made up to stop people from asking about her love life. To fill the void, she's channeled her obsession with love into her passion for photography, using her ability to literally see the rose-gold glow of a person in love to capture stunning portraits. But when her adviser says her photography portfolio is one note, she's desperate to diversify. After hearing her forever crush Ren was recently dumped, she decides to photograph the broken-hearted, starting with him. Imogen is hopeful she'll finally find love and get the right photos. So the last thing she expects is for the real-life version of her fake boyfriend to show up in town asking why they broke up. Before she knows it, she's juggling August and Ren and falling in love for the first time in her life. **Nano** Charles Everett, 1904 *Journal of Anatomy and Physiology*, 1876
