and dysfunctional relationships and even physical sicknesses that are linked to our inner world *Stop Hurting Start Healing* is founded on the conviction that Jesus wants to heal every part of you body soul and spirit You will be empowered with the key to unlock healing in every aspect of your life *Where Is God When It Hurts?* Philip Yancey,2010-02-23 Gold Medallion Book Award Winner Over a million copies sold An inspirational classic for more than thirty years *Where Is God When It Hurts* honestly explores pain from physical wounds to emotional and spiritual pain and sheds new light on God s presence in our suffering How can a loving God allow this to happen God is either all loving or all powerful but he can t be both You ve heard that question and perhaps you ve even asked it yourself When a loved one dies we receive a terminal diagnosis or natural disasters strike people often wonder whether God is the cause of suffering and why he doesn t immediately take away the pain or fix the situation As a result we become angry at the once beloved God who betrayed us Bestselling author Philip Yancey uses examples from the Bible and from his own experiences to show us how we can learn to accept without blame anger or fear what we don t understand Along the way he answers questions such as Why is there such a thing as pain Is pain a message from God How should we respond to suffering How can we learn to cope with pain *Where Is God When It Hurts* speaks to everyone who thinks that suffering doesn t make sense With compassion and clarity Yancey brings us one step closer to finding an answer when our pain or the pain of those we love is real and we are left wondering where is God when it hurts One of the most helpful treatments of the problem of evil that I ve ever read If I were looking around for something to give to individuals who are going through travail or difficulty this is the book I d recommend Dr Vernon Grounds former Chancellor of Denver Seminar *Can Anybody Stop the Pain?* Lewis Brogdon,2016-05-18 Have you ever had a dream that seemed so real that you thought it was real Once you woke up you were definitely glad it was a dream Well what do you do when things have transpired in your life that are very real and painful *Can Anybody Stop the Pain* is here to help you with probably the most definitive point in your life How you handle real pain directly affects your future as well as people around you who love you and need you Difficult and painful setbacks can be a temporary hindrance or roadblock for you or they can completely ruin your life It depends on a host of factors one of which is how you choose to respond We have all been hurt We have also all been affected by people who have not recovered from their pain We know how miserable they make their life for themselves and the ones they love Maybe you are yet to conquer the pain of your past Well if you are ready to get real with yourself and be an overcomer then read this book There has to come a point in your life when you claim that the pain of your past is not going to keep getting the best of you In other words you decide not to give up on believing in the good life Life can be good again I have good news for you You do not have to live hurt for the rest of your life There is emotional and spiritual healing for you So take heart because there is someone who can stop the pain *We Miss You* Chloe Martin Snell,2019-06-21 *We Miss You Giving All My Flowers to a Ghost* is a timely compassionate and evocative book of poems about topics which touch all of us in some way over a lifetime but which we often have a hard time talking

about The poems speak of dealing with loss and love mental health depression suicide and how to get up when you've been knocked down The raw emotion of these experiences is worded in straight forward language which connects directly with the reader and includes surprising but recurrent elements of deftly wielded humour Sometimes Chloe Martin Snell's poems are like the messages carved into gravestones other times like a diary entry an inspirational quote a blues song Whatever the form her poetry is an affirmation that things do get better that things do turn around Written from the perspective of someone who has known depression themselves and witnessed the terrible devastation wrought by depression on a loved one Chloe Martin Snell's poetry will be a boon to everyone who has struggled or is struggling to make it through opening up a much needed conversation Begun as a personal project *We Miss You Giving All My Flowers to a Ghost* is ultimately uplifting and a paean to friendship faithfulness family and human connection With this first book of poetry Chloe Martin Snell extends this connection to others especially other young adults reaching out with evocative language an original and dynamic style courage honesty and an unerring vision of what really matters
