When Will Jesus Be Enough Reclaiming The Power Of Worship:

When Will Jesus be Enough? Derek Joyce, Mark Sorensen, 2008 Jesus is the purpose and central message of worship In this postmodern era the church finds herself struggling to be heard amidst a myriad of cultural voices where bigger is better and where the hurting and confused just want to feel good Joyce and Sorensen remind us that if people do not see the power of God in churches they will seek the power of another god elsewhere As Jesus showed the woman at the well we have to show people in their own language that their deepest thirst can only be quenched by living water This book will help your church reclaim the power of worship through praise prayer study and Communion Included are original lyrics and service ideas that can be used in both traditional and contemporary worship settings including Sunday morning youth meetings and retreats The book also provides links to the authors websites where you can share ideas and feedback Read the Introduction

Knowing Jesus Is Enough for Joy, Period! S. M. Wibberley, 2010-06-11 [The British National Bibliography](#) Arthur James Wells, 2009 *Journeying Through Lent with Luke* Nancy Koester, 2000 A Christ Centered guide to the Gospel of Luke for daily devotion and group study during Lent Exploring the major themes found in Luke's gospel including the ways of God promise fulfillment salvation and the work of the Holy Spirit Koester shows us how to live in this world in vocation and compassion worship and prayer Each of the 47 devotions one for each day during Lent and Holy Week is freestanding but the themes link groups of devotions together lending depth and continuity to them Vivid word pictures crisp retelling of texts and creative allegory spark delight in the beauty of Luke's Gospel and a desire to follow Christ Each meditation focuses on a key point from the reading in Luke and offers excellent questions for small group discussion or for individual reflection as well as prayer [Finding God at Harvard](#) Kelly K. Monroe, 1997-09-18 Kelly Monroe presents forty two compelling testimonies from faculty members former students and orators at Harvard University whose reflections explode the myth that Christian faith cannot survive a rigorous intellectual environment **Religious Telescope**, 1902 **Recovering Communion in a Violent World** Christopher Grundy, 2019-11-15 The act of breaking and eating a body in Holy Communion forms us over time What if that's not such a good thing Recovering Communion in a Violent World provides an unblinking examination of the ritualized reenactment of the violence done to Jesus in Holy Communion using insights from the fields of ritual studies and trauma theory Then drawing upon recent research in Christian origins the book raises possibilities for sacramental meal practices that don't ignore the death of Jesus but respond to it differently Rather than colluding with systems of violence these alternative practices respond to violence in our world by continuing to collaborate with the persistence and resilience of God as well as with the realm of God still coming near The result is a groundbreaking exploration that is both unflinching in its critique and passionate in its argument for the place of renewed Christian meal practices In an era when world religions have come under greater scrutiny as sources of violence this book asks readers to look squarely at the reenactment of violence that has come to narrowly define Holy Communion for so long and to imagine that more radical resistant
