When God Interrupts M. Craig Barnes, 2009-09-20 Our lives are constantly changing It s hard to keep up to keep our balance It s hard to keep trusting in God And it s especially difficult when the changes we re faced with are unwanted the death of a loved one a child leaving home an illness a frustrated dream Craig Barnes knows the dark side of change As a pastor he has counseled many Christians through tough times of transition And he has been challenged by unwanted changes interruptions in his own life At times it seems as though God has moved far far away But Barnes has discovered that just the opposite is true during times of change and seeming abandonment God is right at our side offering to lead us in a new direction offering us new life He writes A young widow can outlive her grief and decide her life may never be the same but is far from over A lost job can become the beginning of a new vocation Here is the book for all who have known disappointment bereavement or the shattering of faith a book all the more valuable because it promises hope without denying despair In *When God Interrupts* a sensitive insightful pastor shows us how we can be found by God in the middle of unwanted change

Herrick,2004-12-02 James A Herrick offers an intellectual history of the New Religious Synthesis examining the challenges it poses to Judeo Christian tradition demonstrating its sources and manifestations in contemporary culture and questioning its acceptance in church and society **The Interruption That We Are** Michael J.

Hyde,2018-09-10 In a world of ever increasing medical technology a study of the need for wisdom truth and public moral argument In this provocative and interdisciplinary work Michael J Hyde develops a philosophy of communication ethics in which the practice of rhetoric plays a fundamental role in promoting and maintaining the health of our personal and communal existence He examines how the force of interruption the universal human capacity to challenge our complacent understanding of existence is a catalyst for moral reflection and moral behavior Hyde begins by reviewing the role of interruption in the history of the West from the Big Bang to biblical figures to classical Greek and contemporary philosophers and rhetoricians to three modern thinkers S ren Kierkegaard Martin Heidegger and Emmanuel Levinas These thinkers demonstrate in various ways that interruption is not simply a heuristic tool but constitutive of being human After developing a critical assessment of these thinkers Hyde offers four case studies in public moral argument that illustrate the applicability of his findings regarding our interruptive nature These studies feature a patient suffering from heart disease a disability rights activist defending her personhood a young woman dying from brain cancer who must justify her decision against staunch opposition to opt for medical aid in dying and the benefits and burdens of what is termed our posthuman future with its accelerating achievements in medical science and technology These improvements are changing the nature of the interruption that we are yet the wisdom of such progress has yet to be determined Much more public moral argument is required Hyde's philosophy of communication ethics not only calls for the cultivation of wisdom but also promotes the fight for truth which is essential to the livelihood of democracy Joseph Sarah Savage,2013-10-03 In this profoundly moving meditation on the character of Joseph in the book of Genesis Sara Savage takes you on a journey of personal transformation It is a journey that will lead you to new levels of emotional and spiritual understanding Like Joseph every human being needs to learn how to handle life's problems whether threats to identity relationship breakdown depression bereavement stress personal failure or other forms of suffering Skillfully interweaving psychological and biblical insight Sara Savage takes you deep into the mind and soul of Joseph as he lives and learns through these experiences In doing so she shows how like Joseph you too can make something beautiful out of the life that you have been given Honey for a Woman's Heart Gladys

Songs in the Night Michael A. Milton, 2024-10-18 Always preach to broken hearts and you will never lack for a congregation an old saying goes And for that reason this book is for everyone because there are many many things that break our hearts Sicknesses spiritual depression disabilities painful memories strained relationships all of these weigh on Christians hearts at one time or another And even when our hearts feel light there is a longing that runs through us a crying of the soul for eternity for a new heavens and a new earth Yet even in the midst of our heartache we know there is a faith that comes from Jesus Christ that not only encourages us through our pain but can even transform our pain as long as we let it And here is a collection of warm pastoral messages filled with personal illustration that does just that helps the brokenhearted Christian to locate the God of all comfort in the center of all pain We are not left there either Mike Milton takes us a step further to see how the gospel actually transforms our private pain into personal praise So read and discover how God uses the things that seek to destroy us to become the very things that bring us salvation bring us hope bring us to prayer bring us together and ultimately bring us to heaven **Listening to Love** Jan Meyers, 2011-05-04 Love Is Calling How Will You Answer One of our greatest desires is to know we are loved by our Creator Yet the depth of our apprehension is often equally strong If I listen we wonder what will God say If I open myself up to blessings what will God require in return As we trace this line of thinking the God of all goodness becomes in our minds the God of our worst fears Embrace a Love That s Worth the Risk God is far greater than our most expectant dreams While he does often ask everything of us he actually wants everything for us He doesn t want blind loyalty or bored religious compliance he longs for nothing less than our entire passionate self something most of us have yet to glimpse God s desire is that people lean in listen and wrestle with him so that they can respond to him without fear Can this God be trusted Absolutely Will the journey be easy Not a chance But once you learn to listen to love you ll find that there s only one way you can adore this unmanageable unpredictable wild and unruly God with your whole heart
