Where Do Priests Come From:

Where Do Priests Come From? Elizabeth Ficocelli, 2010 *Where Do Priests Come From* is a great book. It's a beautiful and inspiring story for today's Catholic children. The illustrations express the faith which the book shares and highlights. I would strongly recommend this book to Catholic families, schools, and formation programs. Fr. Jeffrey Kirby, STL, Vicar for Vocations, Diocese of Charleston, SC, author of *Becoming Father Bob*. A book I can give to my own nieces and nephews on the priesthood. I plan to read it to them myself. Rev. W. Shawn McKnight, STD, Executive Director of the Secretariat of Clergy, Consecrated Life, and Vocations, United States Conference of Catholic Bishops. A lovely little book explaining a most profound mystery: the priesthood. I pray this book finds its way into the hands of many young boys so that they can be inspired to ponder the question: Is God calling me to be a priest? Father Donald Calloway, MIC, author of *No Turning Back: A Witness to Mercy*.

International Priests in America Dean R. Hoge, Aniedi Okure, 2006. Foreign born priests have always played a significant role in America. Only from 1940 to 1960 did the church produce enough native born priests to serve its parishes. In the past, those priests usually came from Europe, most notably Ireland. In the future, most of the world will be served by priests from Asia, Africa, and Latin America, particularly India and Nigeria. Sixteen percent of the priests serving in the United States since 1985 are foreign born, and the number is rising. But many Americans prefer not to have them in their churches, saying the language and cultural differences are too great and the screening isn't sufficient. *International Priests in America* studies this phenomenon from the perspective of parishioners, lay ministers, diocesan leaders, and priests. This groundbreaking book is guided by two questions: Should the Catholic Church in the United States bring in more international priests? If so, how should this be done?

World Priest Michael Maciel, 2016-06-14. Priests are born, not made. Are you a priest? Do you have a calling to serve God and humanity? If you do, it doesn't matter what gender you are, how much education you have, or what church, if any, you belong to. When God calls you to serve, you won't be able to rest until you find a path that's right for you. Spiritual leadership takes many forms, not all of them public. You don't have to be a minister or a social worker. You don't have to be a scholar or live in a monastery. You don't even have to have followers or students. You can live the life you are living now, complete with family, relationships, career, and pursuits, and use those as channels for God's power to transform the world. In fact, the more embedded you are in daily life, the more God's grace will flow through you if you offer yourself as a channel of service. Then you will be a catalyst, an agent of world transformation. *World Priest* is a manual that will teach you how to leverage God's power for changing the world for the better. Don't wait until your life is perfect. It never will be. Start now. Learn how to be a World Priest.

The Clergy Club John Crothers, 2018-11-01 The Clergy Club as the title suggests looks at the disconnection that exists between the clergy and the laity in the Catholic Church and the club mentality on the part of the Church hierarchy that underpins it Many examples are cited that reveal an attitude among priests and bishops of elitism and aloofness as well as the clergy's inability to see the world from the perspective of the laity even with the best of intentions Many questions are asked such as Where does this club attitude come from How does it express itself How is it reinforced by Church structures and theology What was Jesus approach to both clergy and laity Why is Pope Francis so vehement in his criticism of clericalism Some practical initiatives are also suggested as a way of bringing about change in the clerical culture a change that would help to rid the Church of clericalism and in the process bring the clergy and laity closer together
