Where Do We Go From Here:

Where Do We Go from Here? Jason H. Bell, 2006-03-28 This isn't your everyday stereotypical story with token characters such as your extremely sexually active confused teen or the rising school sports star. No, this is about the unfortunate events that happen to your average person who keeps it real one day at a time. Most people would consider Andre as the average eighteen-year-old. School is a waste of time. Only money and girls can hold his interest. *Where Do We Go From Here* takes you face first into the trials and tribulations of a young confused black man dealing with adversity such as graduating high school, relationships, getting a job, and the bad influences they face everyday. Although raised in a two-parent home, Andre rarely received the attention and direction that our young black men so desperately need in order to become successful. Mentored by the neighborhood drug dealer Greg, Andre somehow manages to avoid the life of crime that his younger friend Brian admires because of the fast life it brings. Undaunted by the circumstantial temptations, they go in opposite directions in life. When Andre graduates high school and becomes involved with a highly motivated aspiring lawyer named Ashley, life finally looks promising. When a friendship from the past resurfaces only to disrupt the tranquility of Andre's relationship with Ashley, things begin to fall apart and love is truly tested. In Andre's darkest hour, he is forced to rise to the occasion and do whatever is necessary to make things right, even if it involves risking his own life in the process.

Where Do We Go From Here? Erwin W. Lutzer, 2013-01-16 The America you thought you knew is gone. No longer is this a nation based on godly principles and morality. America is following its leaders willingly into economic, moral, and political decline. What are Christians to do? Erwin Lutzer offers hope and a challenge to Christians. It is not time to despair, even as we face these difficult realities. Two thousand years of church history are behind us to show that the church does not need freedom or ease in order to be faithful. God's calling on His people can be fulfilled no matter what. Dr. Lutzer calls Christians to be agents of change in these increasingly secular times, and he offers hope and direction. As the nation morphs, Christians are called to adjust to be faithful ambassadors for Christ in a country where many are turning away from Him.

Where Do We Go From Here? Jae Henderson, Mario D. King, 2015-12-16 The attraction between Marcus and Natalie was evident from the moment they locked eyes. He was a handsome, successful business man who prided himself on being able to close any deal except the one that could get the woman he wanted to marry to stay. In search of a distraction from his broken heart, Natalie, the demure secretary with the bangin' body and no sliver of a man in sight, seemed like the perfect choice. Sparks fly, and earth-shattering sex erupts. But what was supposed to be a simple sex-only arrangement gets very complicated when Natalie makes a discovery that sends them on an emotional journey that will leave them connected to one another for many years to come. This entertaining, thought-provoking novella expertly illustrates what can happen when you allow lust to determine your direction. There could be life-altering consequences and repercussions, and you just may find yourself asking the question: Where do we go from here?
