force behind the war many League citizens deeply resent the fashion in which their star nation the Solarian League has been humbled And those who most resent the Grand Alliance continue to blame Manticore for the nuclear bombardment of the planet Mesa after its surrender They refuse to accept that the League and the members of the Grand Alliance could have been manipulated by a deeply hidden interstellar conspiracy called the Mesan Alignment The Alignment is only an invention of the Grand Alliance no more than a mask a cover for its own horrific Eridani Violations Those Solarians will never accept the war guilt of the League because they know the Grand Alliance was just as bad Because they deeply resent the way in which the Grand Alliance pretends to be the innocent good guys And in the fullness of time those Solarians will seek vengeance upon their enemies Not all Solarians feel that way but even some of those who accept that there was an interstellar conspiracy cherish doubts about its origins But it is still out there and now defeated Solarians and agents of the victorious Alliance must join forces to find it Even if they don t believe in it it believes in them They must find it and identify it to prove to revanchist Solarians that there was a conspiracy And they must find it and destroy it to end its evil once and for all
