t have enough stuff of our own The session was to be produced by Dale Griffin who used to be the drummer in Mott the Hoople I seem to remember that he was wearing cowboy boots I think the crisis point came when Wayne was attempting to get a home made synth drum to work that a friend of his at school had made out of a rubber burglar alarm mat and an old electronic calculator Dale Griffin looked at this 15 year old kid crouching on the floor bashing what looked like a doormat with some wires coming out of it and just put his head in his hands But to his credit the session did get finished and after it everything else started for me
