The Preacher's Guide to Suicide H. C. Johnson, 2022-03-18 This book makes the startling claim that the pulpit is the appropriate place to address suicide In *A Preacher's Guide to Suicide* Johnson chisels through the rusty prison bars of cultural pretense and the oppressive myths of suicide Using history the social and behavioral sciences and biblical inquiry over the centuries of varied Christian voices Johnson demonstrates that suicide is part of the very fabric of Christian identity And to preach suicide awareness is to preach life into the very act of dying While grappling with the contemporary understanding of neuroscience psychopathology societal values and individualism Johnson seeks to present suicide in a hopeful light as we all approach death in those daily moments of confession forgiveness and prayer Johnson hopes to provoke further conversation within the Christian community about the richness of suicide within the Scriptures and seeks to be a source of inspiration for preachers [The Apostles' Creed - Leader Kit](#) Matt Chandler, 2017-04 Take your group through an in depth examination of the primary tenets of Christianity The Apostles Creed was born from the apostles teachings It contains essential doctrines and beliefs that summarize the gospel and the foundation of our faith The scriptural truths contained in the creed enable us to build our Christian lives on good theology with the knowledge that our faith is rooted in truth and a rich history The lines of the creed aren't mere words They are the essence of what we confess and believe Repeating the creed doesn't make disciples Incantations don't transform us into better more effective Christians Creeds don't hold any authority apart from Scripture but they do point outside themselves to the authoritative Word of God The Apostles Creed was traditionally used as a public confession before baptism This confession of faith given as a recitation of the creed was understood as an act of turning away from previous pagan beliefs and fully accepting apostolic teaching This profession identified new believers with the community of Christians This group study from Matt Chandler and The Village Church leads to greater clarity of our religion greater symmetry and balance as a disciple and a more profound sense of belonging in the kingdom of God The Apostles Creed Leader Kit includes a Bible Study Book and four DVDs with a promotional video and 12

A Thematic Access-Oriented Bibliography of Jesus's Resurrection

Michael J. Alter, 2019-12-31 The keystone of Christianity is Jesus's physical bodily resurrection Present day scholars can be significantly challenged as they forage through voluminous documents on the resurrection of Jesus The literature measures well over seven thousand sources in English language books alone This makes finding specific sources that are most relevant for specific scholarly purposes an arduous task Even when a specific book is relevant finding the parts of the book that are most relevant to the resurrection rather than other topics often requires additional effort A Thematic Access Oriented Bibliography of Jesus's Resurrection addresses these challenges in several ways First the bibliography organizes more than seven thousand English sources into twelve main categories and then thirty four subcategories which are designed to help you find the most relevant literature quickly and efficiently Embedded are pro and con arguments which support efficient access through brief annotations and then annotate the diversity and complexity of the field of religion by including sources that represent a diverse range of views theistic e.g. Christian Jewish Muslim etc. agnostic and nontheistic The objective of this bibliography is to provide convenient access to relevant sources from a variety of perspectives allowing you to browse or find the one source accurately and with ease

Confessing the Faith Today Allan Janssen, 2016-11-30 With the understanding that confession is a witness to the gospel Confessing the Faith Today investigates how a sixteenth century Reformation confession the Belgic Confession can assist contemporary Christians testify to the truth of God's gracious turn toward creation and do so in the context of the twenty first century's competing claims A close examination of the internal coherence of the Belgic Confession along with an exploration of how that confession might engage contemporary life offers fresh insight

into how Christians might articulate what is at stake in the gospel Janssen encourages the church to enter a conversation with the forebears of the faith acknowledging the historical nature of not only the confession but of God's involvement in all creation God with Us Daniel R. Hyde, 2021-06-19 JESUS Whether a skeptic agnostic inquirer or convinced Christian this book will help you consider the mysteries Jesus claimed of Himself Specifically that he is Emmanuel God with Us But Why Are You Called a Christian? Margit Ernst-Habib, 2013-07-17 The Heidelberg Catechism is one of the world's foremost and prevailing Christian faith documents throughout the centuries due to its intellectual clarity as well as personal style At the same time the book invites the reader to engage the Heidelberg Catechism in conversation with contemporary Christian faith Margit Ernst Habib aims not only at describing the traditional uses of the HC in churches so far but also at engaging the reader on different levels and eventually enabling him or her to begin answering the vital question But why are you called a Christian **It's A Matter Of Faith And Life Volume 2** David M. Albertin, 1997 Designed for those who wish to review their faith and life each chapter in this series can serve as Catechism companions supplements personal devotional material or as curriculum for a study class Questions and thought provokers included with each chapter work well for private reflection or group discussion
