A Bipolar's Journey Vijay Nallawala, 2015-07-16 It was only when the author was diagnosed as a bipolar in 2003 leading to his hospitalization that he first heard about this serious mental illness From being comfortably perched as a successful entrepreneur he was abruptly flung into terrifying unknown territory Extreme mood swings from manic highs to desperate lows made life miserable The awareness about this chronic debilitating condition was almost nonexistent in India back then and the stigma stifling Disturbingly the situation remains largely unchanged unlike developed countries where support groups thrive Where there is iron willed determination the biggest of challenges can be surmounted The unstinted support of his family close friends mentors and medical team helped him in his arduous climb Medical treatment needs to be supplemented by a healing regimen Resolutely he made yoga meditation and spiritual advancement an intrinsic part of his life This cathartic journey ended up freeing him An inspiring story of resilience his is a rare voice of hope from the East trying to reach out to millions of his community saying Yes A bipolar too can lead a

normal and happy life A Bipolar s Journey may well help you walk away From Torment to Fulfillment So let s walk together

The Price of a Smile C. Rose Barbier,2019-08-20 No one truly knows the price you have paid to smile like you do Physical pain and emotional trauma are not your portion in this life even if they have visited you long and often You can have victory over the depression and the anxieties of life situations but there is a cost to strive for it a price paid to reach so deep and hold on to it once you have it Rape abuse abandonment neglect failed marriages emotional and physical pain are not there to define us but to shape us through the refining fire This deeply moving story uses crisis situations to propel you to victory over the stronghold of the Depression and Anxiety these life situations can bring Even if you are a sufferer of chronic depression schizophrenic disorder bipolar disorder fibromyalgia or chronic pain the only way to break these strongholds is to name them Expose it Ephesians 5 13 rule it and claim your victory over it On this journey of self discovery and awareness building we can weigh the expenses of our losses we may even see the price paid can be a blessing that s just covered up By learning who you really are in Christ pulling apart the myths that surround life s battles you can claim your power understand yourself and own all of who you are unapologetically Remembering always that you are fearfully and wonderfully made in God s image For the Lord your God is he who goes with you to fight for you against your enemies to give you the victory Deuteronomy 20 4

My Journey Through Hell on My Way to Heaven Lucy Irving,2012-03-19 My name is Lucy McEachern Irving and I am a 30 yr old mother of four but I only have one living to put to bed every night He is amazing and I love him more than anyone could ever imagine My book is about his sister and his brothers that GOD blessed me with and then took them back to heaven to be with him all in the same breath I was madly in love with their father and shortly after we married he began to physically hurt me and yet I stayed throughout all the fights and two deaths of our children I did manage to find true happiness but my children have always held me back in some way Everything in my life surrounded what happened when they died and surrounded the deep unending connection that their father and I had He had a hold on me that is not healthy in any way I went through other abuses and everyone Ive ever loved thought that the way to express their love for me was with violence After the death of my children I fell into a very dark place and fell into deep addiction with the fault of no one but my own I had to learn how to deal with my pain sober and had to relive everything about their deaths all over again because I truly believed I could numb my pain and never deal with it I managed to find a way to stay sober and after completely losing all faith I began to realize that without that I couldnt go any were I couldnt get back up without GODs help I do end up being blessed with the most amazing baby boy and even though it was a fight to get him here to stay with me I thank GOD for my blessing and dont take it for granted not one second But after learning how to live without my children s father and learning to be without him I fell in real love with a wonderful man who supports me and loves me the way love is meant to be He gave me a child after 5 miscarriages but even he couldnt protect me from my children s father and he did come back into my life to destroy me and what I had managed to salvage of my life Even my new husband isnt perfect and managed to tear me apart in

other ways And to surprise another death came into my world and destroyed us for so long We do manage to find each other again and because of the strength GOD gave me we are now happy and ready to start our lives together allover again with our precious miracle baby My story is coming in two volumes because there is so much to tell I want to show people like me that it can get better if you just try If you give it to GOD it will happen and your dreams can come true My main goal is to help just one person in this world to see that they are not alone and never will be I also want to say IF I CAN MAKE IT ANYONE CAN

Jettie's Journey...What a Trip Jettie Pettit,2010-11-29 This is the story of how a strict Southern Baptist became a dedicated Catholic evangelist and teacher The ways that God moved in my life were indeed strange From early childhood until now His Holy Spirit has been my guide when I would follow and the one with the cattle prod when I hesitated Some of the experiences told about in this book may cause skepticism but every word is true I have told some of the stories in different places but this is the first time that the entire story has been written It is my prayer that any who read it will be blessed and inspired to tell their own story
