When Autumn Comes Mary Jo Bennett, 2004-04 *When Autumn Comes* will help you appreciate and respond to the important needs and delicate issues of our final passage through life With wisdom and sensitivity it gives practical keys for creating a holistic comforting environment for those nearing the end of life so they can face death with peace and dignity The author shares her intimate relationship with death in the loss of her lover and close friends and in her many years of experience at the bedside of the dying as a hospice volunteer Her moving journey through grief tears and companionship shows how we can find greater compassion and understanding in caring both for the dying and for ourselves in our time of loss *When Autumn Comes* shows us that with compassionate care the end of life can be a time of personal growth and healing for the dying and their loved ones Dannion Brinkley chairman and founder of Compassion in Action and author *Saved by the Light* Borrowing from her years of experience as a hospice volunteer Mary Jo Bennett offers both practical advice and thoughtful reflection on the art of caring for the terminally ill *When Autumn Comes* is invaluable to hospice volunteers and other caregivers who are struggling with the nitty gritty details of care and the deeper questions that often arise through such loving work James Hallenbeck M D Assistant Professor of Medicine Stanford University School of Medicine and author of *Palliative Care Perspectives* *Compassion* Philip Joseph Larkin, 2015-10-15 Presentaci n editorial The most eminent international experts critically reflect upon the role of compassion in the practice and delivery of palliative and hospice care From a range of backgrounds they provide insight into the practice of compassionate palliative care and explore the fundamental historical discourse surrounding this crucial concept *Healing a Divided Nation* Carole Adrienne, 2022-08-02 A profound and insightful investigation into how the American Civil War transformed modern medicine At the start of the Civil War the medical field in America was rudimentary unsanitary and woefully underprepared to address what would become the bloodiest conflict on U S soil However in this historic moment of pivotal social and political change medicine was also fast evolving to meet the needs of the time Unprecedented strides were made in the science of medicine and as women and African Americans were admitted into the field for the first time The Civil War marked a revolution in healthcare as a whole laying the foundations for the system we know today In *Healing a Divided Nation* Carole Adrienne will track this remarkable and bloody transformation in its cultural and historical context illustrating how the advancements made in these four years reverberated throughout the western world for years to come Analyzing the changes in education society humanitarianism and technology in addition to the scientific strides of the period lends *Healing a Divided Nation* a uniquely wide lens to the topic expanding the legacy of the developments made The echoes of Civil War medicine are in every ambulance every vaccination every woman who holds a paying job and in every Black university graduate Those echoes are in every response of the International and American Red Cross and they are in the recommended international protocol for the treatment of prisoners of war and wounded soldiers Beginning with the state of medicine at the outset of the war when

doctors did not even know about sterilizing their tools Adrienne illuminates the transformation in American healthcare through primary source texts that document the lives and achievements of the individuals who pioneered these changes in medicine and society The story that ensues is one of American innovation and resilience in the face of unparalleled violence adding a new dimension to the legacy of the Civil War *Cobweb Bride: The Complete Trilogy* Vera Nazarian,2018-08-04 Contains the following complete novels Cobweb Bride Book One Cobweb Empire Book Two Cobweb Forest Book Three Praise for Cobweb Bride Nazarian writes clean and true prose Publishers Weekly Set in an alternate Renaissance Europe this series opener by Russian born Nazarian combines the stylistic manner of a folktale with the trappings of an epic fantasy one driven by compassion rather than heroics Fans of period fantasy and those who like stories that feel like fairy tales should appreciate this skillful novel by the twice Nebula Award nominated author of *Dreams of the Compass* *Rose and The Duke in His Castle* Library Journal I really enjoyed the rich complex and highly unusual storytelling in the Cobweb Bride Nazarian does an excellent job of painting the Renaissance world of her alternate reality and bringing in interesting twists of fantasy to the story Everything about this story that was fresh and new I loved the premise it was built on and I loved the story itself The characters are rich multi dimensional and so easy to get to know and identify with I am really looking forward to reading the next book in the trilogy when it comes out and in finding out more about what happens to the characters that still have a mission to carry out and how the story eventually resolves by the end of the trilogy I recommend this book to readers of YA lovers of fantasy alternate history and alternate reality It was a terrific read Tracy M Riva Midwest Book Review Cobweb Bride is astonishing and captivating a lush fantasy of imagery and magical realism The visuals are illustrated by the author s lyrical and metaphoric writing Every chapter and scene revels in this mortal coil surrounded by an expansive collage of characters immersed in a plot as rich and decadent as a Verdi opera The vibrancy of Ms Nazarian s writing is sheer kaleidoscopic visualization The folkloric fable twists and turns recount shavings from the mythos of Hades and Persephone without boring you with a full blown serving of predictability The romance is as subtle as it is grim with glimmers of hope taking us further to our doom perhaps The overall tone is introspective hauntingly quiet with elements of horror fantasy that are as provocative as the works of Tanith Lee and Storm Constantine Patrice Romantic Historical Reviews a 5 Star Top Pick Many are called She alone can save the world and become Death s bride COBWEB BRIDE is a history flavored fantasy novel with romantic elements of the Persephone myth about Death s ultimatum to the world **Slay Your Dragons With Compassion** Malcolm Stern,Ben Craib,2020-09-29 Ten key teachings from renowned therapist Malcolm Stern all distilled from his thirty years of intense group work The book is filled with practical exercises which are combined with real and compelling stories from the therapy room When renowned psychotherapist Malcom Stern s daughter Melissa took her own life in 2014 he experienced most parents worst nightmare and his grief made him challenge every aspect of his work and life It thrust his growth and development forwards in ways he never thought possible forcing him to confront his fears and work
