When Brute Force Fails How To Have Less Crime And Less Punishment:

When Brute Force Fails Mark Kleiman, 2009 One in every one hundred adult Americans is imprisoned With 2 3 million prison inmates on its hands the author argues it is time the United States stopped focusing on punishment and turned its attention instead to reducing crime Developing Restorative Justice Jurisprudence Tony Foley, 2016-04-22 What are the requirements for a just response to criminal wrongdoing Drawing on comparative and empirical analysis of existing models of global practice this book offers an approach aimed at restricting the current limitations of criminal justice process and addressing the current deficiencies Putting restoration squarely alongside other aims of justice responses the author argues that only when restorative questions are taken into account can institutional responses be truly said to be just Using the three primary jurisdictions of Australia New Zealand and Canada the book presents the leading examples of restorative justice practices incorporated in mainstream criminal justice systems from around the world In conclusion the work provides a fresh insight into how today s criminal law might develop in order to bring restoration directly into the mix for tomorrow This book will be of interest to undergraduates postgraduate researchers and lecturers as well as lawyers who work in the field of criminal law criminologists social scientists and philosophers interested in ideas of wrongdoing and criminal justice responses to criminal offending **The PerformanceStat Potential** Robert D. Behn, 2014-06-24 It started two decades ago with CompStat in the New York City Police Department and quickly jumped to police agencies across the U S and other nations It was adapted by Baltimore which created CitiStat the first application of this leadership strategy to an entire jurisdiction Today governments at all levels employ PerformanceStat a focused effort by public executives to exploit the power of purpose and motivation responsibility and discretion data and meetings analysis and learning feedback and follow up all to improve government s performance Here Harvard leadership and management guru Robert Behn analyzes the leadership behaviors at the core of PerformanceStat to identify how they work to produce results He examines how the leaders of a variety of public organizations employ the strategy the way the Los Angeles County Department of Public Social Services uses its DPSSTATS to promote economic independence how the City of New Orleans uses its BlightStat to eradicate blight in city neighborhoods and what the Federal Emergency Management Agency does with its FEMAStat to ensure that the lessons from each crisis response recovery and mitigation are applied in the future How best to harness the strategy s full capacity The PerformanceStat Potential explains all **Life Without Parole** Charles J. Ogletree, Austin Sarat, 2012-06-04 Is life without parole the perfect compromise to the death penalty Or is it as ethically fraught as capital punishment This comprehensive interdisciplinary anthology treats life without parole as the new death penalty Editors Charles J Ogletree Jr and Austin Sarat bring together original work by prominent scholars in an effort to better understand the growth of life without parole and its social cultural political and legal meanings What justifies the turn to life imprisonment How should we understand the fact that this penalty is used disproportionately against racial minorities What

are the most promising avenues for limiting reforming or eliminating life without parole sentences in the United States Contributors explore the structure of life without parole sentences and the impact they have on prisoners where the penalty fits in modern theories of punishment and prospects for as well as challenges to reform **Criminological Theory J.**
