THE YOUNG CHRISTIAN'S SURVIVAL GUIDE Donald T. Williams, 2019-07-19 Some of the questions asked and answered in THE YOUNG CHRISTIAN'S SURVIVAL GUIDE are You claim the Bible is inspired because it says it is right 2 Tim 3 16 Isn't that circular reasoning You claim the Bible was inspired but there was no inspired list of which books that is true of So how can we know which ones to trust With so many different copies of manuscripts that have 400 000 variants errors how can we even know what the Bible says Why can't the people who wrote the four Gospels get their story straight Didn't the Council of Nicaea just arbitrarily pick the books for the Bible that they agreed with and suppress all the rest with political power People used to believe in miracles because they didn't understand science Don't we know better than that now That a man rose from the dead takes a lot of believing How could you ever have enough evidence for a belief like that Science has proved that human beings evolved over millions of years rather than being created in six days Why are you still clinging to ancient myths Just because the Bible is true for you why does that make it true for me How can you base your modern life on a book that was written for a primitive culture Doesn't the Bible support genocide Doesn't the Bible support racism Doesn't the Bible support slavery Doesn't the Bible support homophobia Doesn't the Bible support the oppression and abuse of women There are so many religions all sincerely seeking the same goal What makes you Christians so arrogant that you think yours is the only way What about those who have never heard the Gospel If God is a God of love why did he let my loved one die How can it be just for God to impose an infinite punishment Hell forever for finite sins These questions will be asked and answered with reasonable rational Scriptural answers **Love Your God with All Your Mind** J.P.

Alter,2019-12-31 The keystone of Christianity is Jesus s physical bodily resurrection Present day scholars can be significantly challenged as they forage through voluminous documents on the resurrection of Jesus The literature measures well over seven thousand sources in English language books alone This makes finding specific sources that are most relevant for specific scholarly purposes an arduous task Even when a specific book is relevant finding the parts of the book that are most relevant to the resurrection rather than other topics often requires additional effort A Thematic Access Oriented Bibliography of Jesus s Resurrection addresses these challenges in several ways First the bibliography organizes more than seven thousand English sources into twelve main categories and then thirty four subcategories which are designed to help you find the most relevant literature quickly and efficiently Embedded are pro and con arguments which support efficient access through brief annotations and then annotate the diversity and complexity of the field of religion by including sources that represent a diverse range of views theistic e g Christian Jewish Muslim etc agnostic and nontheistic The objective of this bibliography is to provide convenient access to relevant sources from a variety of perspectives allowing you to browse or find the one source accurately and with
