**When God Waits** Jerome Daley,2005-04-19 Is God keeping you waiting Does it feel like God has pushed the pause button on your life If you re frustrated by God s apparent slowness don t assume that having to wait is a waste of time God does some of his most important work in your life during these divine delays Many of the men and women of faith that we read about in the Bible had to endure long difficult seasons of waiting before they could fulfill God s destiny for their lives And just like these biblical heroes you can learn how to see what God is doing and how he is changing your life while you re waiting Don t miss out on the richness of this God ordained lag between catching a vision for your calling and seeing God fulfill it No matter how long you have to wait you can be transformed as God prepares you to fulfill your divine calling
