When Hitler Took Cocaine And Lenin Lost His Brain History's Unknown Chapters:

When Hitler Took Cocaine and Lenin Lost His Brain Giles Milton, 2016-01-05 Originally published under the titles When Hitler took cocaine and When Lenin lost his brain [When Hitler Took Cocaine and Lenin Lost His Brain](#) Giles Milton, 2024-09-04 An addictive compendium of 50 little known historic tales that are seemingly too good to be true with plenty of fabulously dramatic adventures Publishers Weekly When Hitler Took Cocaine and Lenin Lost His Brain is the first installment in Giles Milton's outrageously entertaining series History's Unknown Chapters colorful and accessible intelligent and illuminating stories from the past that you probably never knew about Covering everything from adventure and espionage to war and murder this volume reveals the stories of the female Robinson Crusoe Hitler's final hours Japan's deadly balloon bomb and the emperor of the United States There's also the cook aboard the Titanic who survived the icy seas by pickling himself with whiskey And the man who survived the atomic bomb in both Hiroshima and Nagasaki Along with many many more

Nathaniel's Nutmeg Giles Milton, 2014-06-10 A true tale of high adventure in the South Seas The tiny island of Run is an insignificant speck in the Indonesian archipelago Just two miles long and half a mile wide it is remote tranquil and these days largely ignored Yet 370 years ago Run's harvest of nutmeg a pound of which yielded a 3 200 percent profit by the time it arrived in England turned it into the most lucrative of the Spice Islands precipitating a battle between the all powerful Dutch East India Company and the British Crown The outcome of the fighting was one of the most spectacular deals in history Britain ceded Run to Holland but in return was given Manhattan This led not only to the birth of New York but also to the beginning of the British Empire Such a deal was due to the persistence of one man Nathaniel Courthope and his small band of adventurers were sent to Run in October 1616 and for four years held off the massive Dutch navy Nathaniel's Nutmeg centers on the remarkable showdown between Courthope and the Dutch Governor General Jan Coen and the brutal fate of the mariners racing to Run and the other corners of the globe to reap the huge profits of the spice trade Written with the flair of a historical sea novel but based on rigorous research Giles Milton's Nathaniel's Nutmeg is a brilliant adventure story by Giles Milton a writer who has been hailed as the new Bruce Chatwin Mail on Sunday

[Checkmate in Berlin](#) Giles Milton, 2021-07-13 From a master of popular history the lively immersive story of the race to seize Berlin in the aftermath of World War II as it's never been told before BERLIN'S FATE WAS SEALED AT THE 1945 YALTA CONFERENCE the city along with the rest of Germany was to be carved up among the victorious powers the United States Britain France and the Soviet Union On paper it seemed a pragmatic solution In reality once the four powers were no longer united by the common purpose of defeating Germany they wasted little time reverting to their prewar hostility toward and suspicion of one another The veneer of civility between the Western allies and the Soviets was to break down in spectacular fashion in Berlin Rival systems rival ideologies and rival personalities ensured that the German capital became an explosive battleground The warring leaders who ran Berlin's four sectors were charismatic mercurial men and Giles

Milton brings them all to rich and thrilling life here We meet unforgettable individuals like America's explosive Frank Howlin Mad Howley a brusque sharp tongued colonel with a relish for mischief and a loathing for all Russians Appointed commandant of the city's American sector Howley fought an intensely personal battle against his wily nemesis General Alexander Kotikov commandant of the Soviet sector Kotikov oozed charm as he proposed vodka toasts at his alcohol fueled parties but Howley correctly suspected his Soviet rival was Stalin's agent appointed to evict the Western allies from Berlin and ultimately from Germany as well Throughout Checkmate in Berlin recounts the first battle of the Cold War as we've never before seen it An exhilarating tale of intense rivalry and raw power it is above all a story of flawed individuals who were determined to win and Milton does a masterful job of weaving between all the key players motivations and thinking at every turn A story of unprecedented human drama it's one that had a profound and often underestimated shaping force on the modern world one that's still felt today

Did They Rest in Peace? Joseph William Lewis Jr. M.D., 2018-10-18 Ashes to ashes dust to dust By what miracle can an assortment of seemingly unrelated particles come together and correctly assemble to form a human being Amazingly once aggregated these atoms molecules and compounds manage to interact reasonably coherently during our lives but seek to return to their dusty state when death occurs Of the billions of our species who have existed on earth over the millennia most have quietly and inexorably returned to ashes and dust when their term of life expired This book tracks some of the misadventures of selected corpses including burials that went awry to body snatching exhumations human relic collection and assorted desecrations Over the years it seems that a remarkable number of bodies have failed to enjoy the admonition to Rest in Peace Whether these aberrations in the burial process have disturbed the afterlife of the departed everyone is dying to discover the answer
