John P. Keenan

When I Was A Child As Given By The Cosmic Christ:

When I Was a Child Joy-An Tucker, 2015-04-29 This book is a collaboration and communion between the author and the Cosmic Christ who chose Joy An to write it In the spirit of trust innocence joy and humor it is the energy and essence of the Cosmic Christ reaching out to every reader heart to heart This is not a child s book but a book for the child in every divine human This book is not about intellectual understanding it is about heart knowing and experience through the images presented here It is about developing a new self image in attunement with the divine being that you are It illustrates that we evolve spiritually through the playful wisdom of trust and harmlessness and outrageous boldness knowing that every human of any age is a child of God Beyond religion the Cosmic Universal Christ crosses religious boundaries and gathers all in his heart It is mystical poetic humorous imaginative childlike and wise at the same time Wise masters have said the truth is simple This book is simple truth

Earthing the Cosmic Christ of Ephesians--The Universe, Trinity, and Zhiyi's Threefold Truth, Volume 2 John P. Keenan, 2022-09-09 This is volume 2 of a wide ranging interfaith reading of the Letter to the Ephesians a New Testament text whose words have inspired and enhanced Christian spiritual life and liturgy over the centuries Unfortunately at the same time Ephesians has provided apparent scriptural support to those who would defend slavery patriarchy misogyny and the physical power of Christ over the cosmos How on earth are today s Christians to receive and understand such a text as this Earthing the Cosmic Christ of Ephesians The Universe Trinity and Zhiyi s Threefold Truth draws upon a broad array of scientific theological and philosophical thinkers who enable us both to marvel at today s ever expanding knowledge of our vast cosmos and to appreciate the importance of the Ephesian letter in the canon of our Christian scriptures even while we acknowledge the archaic geocentric cosmology that underlies its claims about the cosmic Christ and reject its accommodation to the patriarchal misogynistic and slaveholding norms of its first century culture Throughout this reading of Ephesians we look to Chinese Buddhist master Zhiyi and his threefold truth to enhance our understanding of trinity and the nascent trinitarian themes within this letter As a whole this work constitutes a new appreciation for Ephesians as well as a twenty first century apologetic for doctrinal humility and for theologizing within a global theological commons

Earthing the Cosmic Christ of Ephesians--The Universe, Trinity, and Zhiyi's Threefold Truth, Volume 4 John P. Keenan, 2024-02-26 In a Tiantai theology conventional truth is conventionally arisen which means that such truth is never set once and for all but is to be cherished and rethought in new circumstances whether interreligious or scientific but always in critical consonance with its ancient embodiments Contexts shift frameworks but life in Christ is translatable across cultures Christian faith and theology discourage the assumption that the point of it can be clearly pinned down God s appearance to Elijah out of the whirlwind is an eternal reminder of the paltriness of all human perspectives Symbolic worlds of faith and wisdom are not themselves finished products Because it has a past and a future the cosmos itself is unfinished Christian creeds ought not be defended as last word ideological positions and bastions against

relativity but instead recognized in their cultural contexts and affirmed as grammars of communal and personal assent

The Spiritual Guidance of Man and of Mankind Rudolf Steiner, Christopher Etter, 2005-05-01 Dyothelemic Christianity is based in the Christian theology of Dyo thelism and advocates the importance of realigning the human will with divine will This is done in the image of the perfection of this universal principle as depicted by traditional Christian theology Jesus Christ is seen as the perfection of this universal principle and He is seen as a model of perfection that one should seek alignment with Along with the theory involved in this concept I am introducing an adapted Jewish mystical doctrine and system as a tool to help understand both the nature of this theology and human self Through Jewish internal meditational science I am introducing a comprehensive new approach to both Christianity and realignment with the divine as well as a four fold completion of Christian Theological doctrine that will help harmonize all the principles involved in this text Dyothelemic Christianity is based on the scientific theory that there exists a universal divine order and will and the through alignment of the human will with divine will the human self is united with the divine Self as a harmony of natures and wills Thus Christ means one person one hypostasis two harmonious non contrary natures and two harmonious non contrary wills

Kuan Yin Opens the Door to the Golden Age ,1983 *Birding and Mysticism Volume 2* George E. Lowe, 2009-09-29 In volume 2 of Birding and Mysticism Enlightenment Through Bird Watching there is no traditional table of contents rather there are the five main parts and their sections and subsections which contain the substantive ideas and memes of volume 2 followed by six appendices The main thrust of volume 2 concerns the many aspects faces and forms of mysticism religious spiritual rational scientific personal and practical Irenaeus on Creation Matthew Steenberg, 2008-05-31 Scholarship on Irenaeus has long acknowledged the centrality of creation to his theology yet without fitting this theme securely into the Christological vision of Christ the Recapitulator Studies have considered elements of Irenaeus cosmology and anthropology in extraction but without seeing creation as an intrinsic part of his Christocentric vision these have only partially been able to capture the intricacy and significance of his embrace of the creation saga Drawing on the most recent Irenaeian scholarship the present volume explores in detail the Christocentric cosmology of one of the second century s greatest writers setting him in the context of the theological currents of his day The result is a volume that offers new insights into the trinitarian articulation of early Christianity the full significance of humanity as bearing God s image and a fuller reading of the details behind the title Irenaeus the creationist **Maitreya on the Image of God** Elizabeth Clare Prophet, 1990 The Radical Teaching of Jesus Duncan S. Ferguson, 2016-01-18 The Radical Teaching of Jesus carefully and thoughtfully invites the reader into an understanding of the life and teachings of Jesus Both his life and teachings are radical in that Jesus intended those who observed his life and heard his teachings to make a major change in their lives by fully receiving the power and presence of God The implications of this transformation would result in a life of loving God with heart and mind and one s neighbor without condition This volume underlines that to have a full understanding of the implications of the radical teaching of Jesus

requires a careful reading of the history of the Gospel records of the circumstances in which Jesus lived and of Jesus sense of vocation This understanding makes possible a more credible and nuanced grasp of the style and content of the life and teaching of Jesus and its extraordinary relevance for our rapidly changing and troubled global context The book speaks poignantly both to those within the Christian family who find traditional categories regarding Jesus increasingly difficult to affirm and to those of other faith traditions or religious unaffiliated who seek an authentic spiritual way
