franchise that would become the St Louis Cardinals Yet the German born beer garden proprietor would become one of the most important and funniest figures in the game s history Von der Ahe picked up the team for one reason to sell more beer Then he helped gather a group of ragtag professional clubs together to create a maverick new league that would fight the haughty National League reinventing big league baseball to attract Americans of all classes Sneered at as The Beer and Whiskey Circuit because it was backed by brewers distillers and saloon owners their American Association brought Americans back to enjoying baseball by offering Sunday games beer at the ballpark and a dirt cheap ticket price of 25 cents The womanizing egocentric wildly generous Von der Ahe and his fellow owners filled their teams rosters with drunks and renegades and drew huge crowds of rowdy spectators who screamed at umpires and cheered like mad as the Philadelphia Athletics and St Louis Browns fought to the bitter end for the 1883 pennant In The Summer of Beer and Whiskey Edward Achorn re creates this wondrous and hilarious world of cunning competition and boozing set amidst a rapidly transforming America It is a classic American story of people with big dreams no shortage of chutzpah and love for a brilliant game that they refused to let die
