When All That's Left of Me Is Love:

When All That's Left of Me Is Love Linda Campanella, 2011-08 When All That's Left of Me Is Love is an intensely personal story about one family's determination to enjoy life while anticipating death. Linda Campanella's emotional account of her last year with her mother Nancy Sachsse wrote itself on the pages of her mind as she lay awake unable to sleep in the days and weeks following Nan's death one year and one day after a diagnosis of terminal cancer. It is a heartwarming memoir filled with insights and inspirations that will help anyone jolted into confronting the inevitability and sudden imminence of death. Join the author as she reconstructs and relives a year of living while dying and in the process comes to terms with the pain and permanence of her loss. When All That's Left of Me Is Love is indeed a sad story born of death but it is above all an uplifting portrait of living loving believing and letting go. It is a celebration of the special bond between mothers and daughters a touching love story a spiritual journey a poetry lesson and even a case for happy hour. This story of a daughter's undying love for her dying mother will move and inspire not only those who face or fear death but also those who love and embrace life. This book is truly a testament of love as the title suggests. It is about love refined and deepened by grief and gratitude. It is a tribute to a mother who loved with her last breath and beyond. It is the story of a daughter who gives herself away through the gift of her pen. Sharon G Thornton Ph.D. Professor of Pastoral Theology at Andover Newton Theological School

Jo Knowles, 2012-05-08 Starting middle school brings all the usual challenges until the unthinkable happens and Fern and her family must find a way to heal. Twelve-year-old Fern feels invisible. It seems as though everyone in her family has better things to do than pay attention to her. Mom when she's not meditating helps Dad run the family restaurant. Sarah is taking a gap year after high school and Holden pretends that Mom and Dad and everyone else doesn't know he's gay even as he fends off bullies at school. Then there's Charlie three years old a surprise baby the center of everyone's world. He's devoted to Fern but he's annoying too always getting his way always dirty always commanding attention. If it wasn't for Ran Fern's calm and positive best friend there'd be nowhere to turn. Ran's mantra All will be well is soothing in a way that nothing else seems to be. And when Ran says it Fern can almost believe it's true. But then tragedy strikes and Fern feels not only more alone than ever but also responsible for the accident that has wrenched her family apart. All will not be well. Or at least all will never be the same.

Meaning Making with Malignancy Keith

Roberts, 2018-04-04 The day after Thanksgiving of 2016 the author was diagnosed with stage 4 cancer He has undergone various forms of treatment including therapies at the Mayo Clinic in Minnesota where he began a routine of sending updates and essays to friends and family every two weeks In the first paragraph or two of each essay he reported on his medical situation grounding the essays in real time and in an ambiguous but life affirming struggle This was followed with an essay on meaning making how he was trying to make sense of the experience and what helped him cope In some of these he focuses on advice to people who have a chronically ill friend an example is the essay Awkward What to Say or Not Say to Friends with a Life threatening Disease On other occasions he reflects on the experience of having a life threatening disease and addresses others in that situation with essays like Planning for the Future When Planning the Future Feels like an Oxymoron The reflections are sometimes informed by philosophical or theological analyses but more often by a sociological

lens The result is a musing of remarkable depth For more information and updates on Keith Roberts please visit <https://www.caringbridge.org/visit/keithroberts2> Mishkan T'filah Central Conference of American Rabbis/CCAR Press,2007 □□□□ □□□□ Elyse D. Frishman,2007 **Lake of Fire - Hope for the Wicked One Day? - Essays in First Christianity** Jonathan Ramachandran,2019-01-01 Christ Centered Universalism has been a Hope in First Christianity among the earliest orthodox Christians as testified even as late in St Augustine of Hippo s infamous quote in that even he didn t call them as heretics but soft hearted Christians who did not deny Holy Scripture A form of Christian Universalism by Origen of Alexandria may have been condemned by a later council For protestants please take note that both St Augustine and that later council consists of members who Pray to Virgin Mary something which is absent from even Origen of Alexandria Therefore just because something is majority by later early Christianity it does not necessarily mean that it was First Christianity Doctrine In light of this we discuss various viewpoints quotes by Church Fathers and Ancient Christian Writings in support of this Hope Since the time lapse and loss of records to these First Christians being replaced by later Christianity is hard to trace or prove due to scarcity of evidences nevertheless we endeavour to present as much as we can including some rarely known quotes within Christian Universalism Hopefuls itself An example of a set of rare quotes which point to Christ Centered Universalism in this book which may not be popularly known is that by St Hillary of Poitiers the Champion of Trinity in the West and a set of interesting quotes likewise by St Ignatius of Antioch who was a direct disciple if St John the Apostle of Christ himself We see traces of such an understanding in a quote by St Justin Martyr toward the Wicked being made subject to obey God eventually as one child while St Ireneus of Lyons has a few interesting quotes especially those that relate to the Concept of Ages Aeons Olam to come where in a particular instance St Ireneus clearly shows that the strongest phrase ages of Ages refers to the subset ages out of a larger set of Ages implying limitedness Just like God of Abraham does not limit God to Abraham only the phrase God s Glory to the Age Aeon Olam singular need not limit God s Glory to one Age only but may be highlighting it for that Age unknown long time period We do not need to teach it as a 100% certain doctrine but we may hope for it as the Bible Verses can also be understood consistently to present this Hope in some Way One Day we will know and all things are possible with God Who Alone Decides Peace to you
