Where Garden Begins Suthern Hicks:

Where the Garden Begins J Suthern Hicks, 2015-11-25 When Seth began college a year ago the world of science opened up to him and he soon found himself questioning his faith in God His younger sister Melissa has also distanced herself from anything spiritual She is too busy chasing high school boys The teens are quite content to remain in their unbelief but their determined grandmother intervenes Her prayers set in motion a series of incredible supernatural events that sends the brother and sister to a fantastical world where everything they think they know will be tested In order to survive this otherworldly experience Seth and Melissa must work together for the first time in their lives The obstacles that come their way are numerous and challenging but they have help throughout their adventure from newfound friends including the loyal kind hearted red fox and a benevolent owl named Adriel This extraordinary journey could reconcile their doubts about the truth of the Bible But most importantly Melissa and Seth will discover that faith is a precious gift and without it they may never get back home

Roots and Branches J. Suthern Hicks, 2023-02 The continuation of the Number 1 new releases on Amazon in Christian fantasy *Where the Garden Begins* and *A Leaf of Faith* *Roots and Branches* The Battle for Here is the final book in the Messenger and Thieves series The Word has been vanquished Truth has become relative Evil thrives The Five Realms of Here have long sought someone to save them from the evil that holds them captive Prophecy foretells that a brother and sister will come with a friend bringing hope and news of a peaceful king The prophecy is true They would be heroes Seth and Melissa enter into a foreign world seemingly by chance without much more than their faith as a guide They are not alone however Unexpected help comes from the humblest in the animal kingdom a little red fox and a daring dirt dauber Together they set out on a dangerous mission to save one world while unknowingly jeopardizing their own Will both worlds be lost or will this unlikely group of friends figure out the way to conquer evil In saving the Five Realms of Here the Messengers have jeopardized the only home they have ever known They must travel back to the other world in order to save their own They leave as the earth is being poisoned and all life is dying Will they be in time to give the ones they love another chance to believe in the one universal truth that will set them free

The Quenching Fire J. Suthern Hicks, 2025-10 The oldest and most read book of all time speaks of spiritual forces in high places unseen by the naked eye In these high places evil forces are waging an ongoing battle to destroy and kill all of humanity Suppose you were offered a chance to see how and where one such battle for your soul is taking place Would you dare to look Cruelty of Thirst is an origin story of just such a battle Evil rulers and authorities influence the innocent and transform a once peaceful realm to one of chaos and death The written word is banned natural resources are exploited and freedom is traded for addiction Will those in this other realm seek the lifesaving springs of hope or will they suffer the unquenchable cruelty of thirst There are answers in the prophetic writings of the Five Realms of Here but there are only a few remaining souls that believe the prophecies and even fewer that can interpret them Courage and hope come from the most surprising heroes Willow the ancient tree Zorian the gentle giant

and Beely a young uncompromising woman of God Do not suppose this is mere fantasy but rather imagine the grand spectacle of all that transpires unseen around us *A Leaf of Faith* J.
