## **While The Gods Play While The Gods Play:**

While the Gods Play Alain Daniélou, 1987-08-01 According to the early writings of the Shaiva tradition still alive in India and dating back at least 6 000 years the arbitrary ideologies and moralistic religions of modern society signal the last days of humanity heading toward destruction This prediction is only a fragment of the vast knowledge of Shaiva wisdom author Alain Daniélou as assimilated and reviewed essential concepts of the Shaiva philosophy and its predictions Clearly expressed in the ancient teachings these concepts are in accord with yet surpass the boldest scientific speculations about consciousness time the nature of life and matter and the history and destiny of the human race Inherent in this body of knowledge is an understanding of the cycles of creation and destruction which in conjunction with astronomical phases determine the life span of the species Since 1939 humankind has been in the twilight of the Kali Yuga age or at the end of a cycle The impending cataclysm Daniélou explains is brought on by our own errors and its date will be determined by our present and future actions While the Gods Play examines how the visionaries of ancient times defined our role in creation It explains why and how we have abandoned this role and reflects on what action can be taken to consciously and creatively influence our own destiny Included are chapters on The Religion of Nature and The Religion of the City The Transmigrant Body Sexual Rites the Castes Sacrifice Magical Powers Monastic Orders and Forestalling the Final Day **While the Gods Play** Alain Daniélou, 1987-08 Examines how visionaries of ancient Shaiva wisdom defined our role in creation how we have abandoned this role and action we can take to creatively influence our destiny The author spent more than 20 years in India and was one of the most distinguished orientalists **The Games Gods Play** Abigail Owen, 2024-09-03 THE INSTANT 1 NEW YORK TIMES BESTSELLER This story is my latest obsession USA Today bestselling author Devney Perry The gods love to play with us mere mortals And every hundred years we let them I have never been favored by the gods Far from it thanks to Zeus Living as a cursed office clerk for the Order of Thieves I just keep my head down and hope the capricious beings who rule from Olympus won't notice me Not an easy feat given San Francisco is Zeus patron city but I make do I survive Until the night I tangle with a different god The worst god Hades For the first time ever the ruthless mercurial King of the Underworld has entered the Crucible the deadly contest the gods hold to determine a new ruler to sit on the throne of Olympus But instead of fighting their own battles the gods name mortals to compete in their stead So why in the Underworld did Hades choose me a sarcastic nobody with a curse on her shoulders as his champion And why does my heart trip every time he says I'm his I don't know if I'm a pawn bait or something else entirely to this dangerously tempting god How can I when he has more secrets than stars in the sky Because Hades is playing by his own rules and Death will win at any cost **God at Play** Daniel Soars, 2025-07-01 The first comparative treatment of the topic of play in Hindu and Christian traditions this volume explores what it means to consider divine and human action under the categories of play with drama grace and compassion God at Play presents a theological exploration of the multifaceted motif of play across diverse Hindu and Christian landscapes

and its wide ranging connections to divine and human creativity Given its ubiquity in Hindu theologies and life forms l l offers a rich comparative framework for exploring certain ways of understanding divine and human action as expressed in Hindu and Christian sacred texts philosophical theology and ritual practices Though l l is often interpreted simply as play the essays in this volume reflect a far richer semantic and conceptual field ranging from spontaneity and gratuitousness through joy and humor to mercy and compassion By focusing on the different contexts in which l l is found in Hindu traditions and resisting any uniform translation of the term the contributors to this volume avoid the risk of using predominantly western or Christian categories to understand the Hindu other The volume thus explores how l l functions in a variety of distinctive philosophical theological and devotional ways across Hindu traditions and listens for echoes in Christian understandings of the gratuitousness of the created order in relation to God God at Play is a genuine experiment in deep learning across traditions Each chapter reflects on what is learned by taking l l as the category of comparison and invites the reader to think about what these conversations add confirm or change in relation to earlier twentieth century scholarship on play not least in terms of what difference it might make to understand human life as an imitation and a participation in the divine life of a playful deity
