Installation Sheet

Registering Trane® Controls Software

You can register both Tracer Summit™ and Rover™ software online.

Note: Tracer Summit software must be registered within 30 days from installation. However, you can use the software in demo mode for up to 30 days. After the demo period is over, you must register the software to continue to use it. Rover Service Tool software must be registered immediately.

Registering the software

To register either Tracer Summit or Rover software, each PC workstation requires a unique authorization code that is found on the Rover product USB flash drive or the Tracer Summit compact disk (CD) case.

Note: The product USB flash drive should only be used to install the Rover software.

Registering Online

Before you begin, make sure you have the unique authorization code.

To register online:

1. Install the Trane Controls software.

Note: On the same PC, make sure that the Internet connection is active. (To register from another PC, refer to the following the note under Step 5.)

2. Start the software you want to register.
3. In the Tracer Summit Welcome dialog box, click the Register Now button. For Rover, click the Registration button, then click the Register Additional Options button.
4. Select the option to register over the Internet, then click Next.
5. Select Register this PC, then click Next and continue as instructed at the Trane Product Registration Web site.
