Transforming Leadership Jesus Way Of Creating Vision Shaping Values And Empowering Change:

Transforming Leadership Leighton Ford,1991 Given our all too human feelings of inadequacy Leighton Ford writes how can Jesus be taken as our leadership model If he is unique if he is the Son of God does that not put him in a category which is light years beyond us And what relevance can a leader like that have for us In this inspiring book Ford recognizes the doubts and weaknesses of leaders as well as their strengths and confidences He does not saddle already overburdened leaders with another set of impossibly demanding tasks Instead he calls his readers to recognize the unique and refreshing vision of leadership modeled by Jesus Ford insists that Jesus model of leadership does not paralyze but empowers When I have false ideas of my strength Jesus Christ exposes my incompetence he writes When I feel totally beyond my depth he provides for me God s enabling power This is not another leadership how to manual It is a book for leaders who want to look anew and thoroughly at the powerful ministry of Jesus Only so will they become leaders who create vision shape values and empower change
