Transnational Feminism in the United States Leela Fernandes, 2013-03-11 The acceleration of economic globalization and the rapid global flows of people culture and information have intensified the importance of developing transnational understandings of contemporary issues Transnational feminist perspectives have provided a unique outlook on women's lives and have deepened our understanding of the gendered nature of global processes Transnational Feminism in the United States examines how transnational perspectives shape the ways in which we create and disseminate knowledge about the world within the United States and how the paradigm of transnational feminism is affected by national narratives and public discourses within the country itself An innovative theoretical project that is both deconstructive and constructive this book interrogates the limits of feminist thought primarily through case studies that illustrate its power to create new fields of research out of traditionally interdisciplinary lines of inquiry Leela Fernandes discusses ways to approach analyze and capture processes that exceed and unsettle the nation state within the transnational feminist paradigm Examining the links between power and knowledge that bind interdisciplinary theory and research she shines new light on issues such as human rights as well as academic debates about transnational feminist perspectives on global issues A thought provoking analysis Transnational Feminism in the United States powerfully contributes to the field of Women's Studies and related cross disciplinary scholarship on feminist theory and gender from a global perspective **The Oxford Handbook of**

Transnational Feminist Movements Rawwida Baksh-Soodeen, Wendy Harcourt, 2015 The Oxford Handbook of Transnational Feminist Movements explores the historical political economic and social contexts in which transnational feminist movements have emerged and spread and the contributions they have made to global knowledge power and social change over the past half century The publication of the handbook in 2015 marks the fortieth anniversary of the United Nations International Women's Year the thirtieth anniversary of the Third World Conference on Women held in Nairobi the twentieth anniversary of the Beijing Declaration and Platform for Action and the fifteenth anniversaries of the Millennium Development Goals and of UN Security Council Resolution 1325 on women peace and security The editors and contributors critically interrogate transnational feminist movements from a broad spectrum of locations in the global South and North feminist organizations and networks at all levels local national regional global and global wider civil society organizations and networks governmental and multilateral agencies and academic and research institutions among others The handbook reflects candidly on what we have learned about transnational feminist movements What are the different spaces from which transnational feminisms have operated and in what ways How have they contributed to our understanding of the myriad formal and informal ways in which gendered power relations define and inform everyday life To what extent have they destabilized or transformed the global hegemonic systems that constitute patriarchy From a position of fifty years of knowledge production activism working with institutions and critical reflection the handbook recognizes that transnational

feminist movements form a key epistemic community that can inspire and provide leadership in shaping political spaces and institutions at all levels and transforming international political economy development and peace processes The handbook is organized into ten sections each beginning with an introduction by the editors The sections explore the main themes that have emerged from transnational feminist movements knowledge theory and praxis organizing for change body politics health and well being human rights and human security economic and social justice citizenship and statebuilding militarism and religious fundamentalisms peace movements UNSCR 1325 and postconflict rebuilding feminist political ecology and digital age transformations and future trajectories

Global Development Ethics Eddy M. Souffrant, 2019-05-09 Cases of famine governmental overreach political abuse and neglect persist even in today's globalised world Corporate malfeasance disregard of the environment and blatant ignorance of the instigators of disasters large and small also continue to register high human costs In trying to address this theorists have attempted to elucidate a global ethics that would prescribe courses of actions even when individual and direct causal agency cannot be identified Following in this tradition Eddy M Souffrant explores the concept of a global development ethics taking in topics including famine immigration capitalism race and technology He demonstrates that defining the constituents of a global development ethics depends on a successful analysis of the theoretical and practical structures that cause such global and seemingly intractable conditions He challenges existing conceptions of global justice and argues for a theory of global ethics that relies on our commonality such that enables us to welcome the other thereby fuelling our recognition of the inequalities that motivate prospective development projects Ideal for advanced level students in global ethics global justice and development studies this text articulates a vital new ethics of human development

The ^AOxford Handbook of Transnational Feminist Movements Rawwida Baksh, Wendy Harcourt, 2015-03-25 The Oxford Handbook of Transnational Feminist Movements explores the historical political and economic context in which transnational feminist movements have emerged and spread and the contributions these movements have made to global knowledge policy and social change from the 1970s to the present As it includes contributions from scholars and practitioners from around the globe particularly from the Southern Hemisphere the chapters consider the interplay between the lived experience of transnational feminist movements and the way that women's rights and gender equality have been theorized in different locations and contexts

Globalization and Feminist Activism Mary E. Hawkesworth, 2018-06-15 This thoroughly updated edition provides a comprehensive overview of two centuries of transnational feminist efforts to produce a more just global order Mary Hawkesworth explores how social economic and political inequalities between men and women of different races classes ethnicities and nationalities have been transformed over two centuries of globalization Drawing on historical and contemporary examples she demonstrates how women have forged international networks and alliances to address specific women's issues beyond the borders of the nation state crafting policies to mitigate pressing abuses and devising alternatives to liberal and neo liberal agendas The book considers

innovative feminist tactics to produce global change carefully tracing the structural forces that constrain transnational feminist activism Hawkesworth illuminates the complexity of feminist strategies to influence international agencies and foundations national governments and transnational NGOs By providing critical new insights into the gendered nature of the global system and the gendered dynamics of international institutions and nation states this work will be invaluable for all those engaged in the interdisciplinary fields of globalization studies and feminist studies *Essentials of Sociology* George Ritzer,Wendy Wiedenhof Murphy,2017-11-27 *Essentials of Sociology* adapted from George Ritzer's Introduction to Sociology provides the same rock solid foundation from one of sociology's best known thinkers in a shorter and more streamlined format With new co author Wendy Wiedenhof Murphy the Third Edition continues to illuminate traditional sociological concepts and theories and focuses on some of the most compelling features of contemporary social life globalization consumer culture the internet and the McDonaldization of society New to this Edition New Trending boxes focus on influential books by sociologists that have become part of the public conversation about important issues Replacing Public Sociology boxes this feature demonstrates the diversity of sociology's practitioners methods and subject matter featuring such authors as o Michelle Alexander *The New Jim Crow* o Elizabeth Armstrong and Laura Hamilton *Paying for the Party* o Matthew Desmond *Evicted* o Arlie Hochschild *Strangers in Their Own Land* o Eric Klinenberg *Going Solo* o C J Pascoe *Dude You're a Fag* o Lori Peek and Alice Fothergill *Children of Katrina* o Allison Pugh *The Tumbleweed Society* Updated examples in the text and Digital Living boxes keep pace with changes in digital technology and online practices including Uber Bitcoin net neutrality digital privacy WikiLeaks and cyberactivism New or updated subjects apply sociological thinking to the latest issues including the 2016 U S election Brexit the global growth of ISIS climate change further segmentation of wealthy Americans as the super rich transgender people in the U S armed forces charter schools the legalization of marijuana the Flint water crisis fourth wave feminism *Polycentrism* Frank Gadinger,Jan Aart Scholte,2023-05-03 This is an open access title available under the terms of a CC BY NC ND 4.0 International licence It is free to read at Oxford Academic and offered as a free PDF download from OUP and selected open access locations How does governing work today How does society mis handle pressing challenges such as armed violence cultural difference ecological degradation economic restructuring geopolitical shifts global pandemics migration flows and technological change in ways that are not democratic effective fair peaceful and sustainable This volume addresses these key questions with reference to the theme of polycentrism i.e the idea that contemporary governing is dispersed fluctuating messy elusive and headless Chapters develop this notion of polycentrism from the perspectives of a broad spectrum of academic disciplines and theoretical approaches offering comprehensive coverage of exciting new thinking about how today's world is mis ruled The book identifies four paradigms of knowledge about polycentric governing organizational legal relational and structural and pursues conversations across the divides that normally keep these approaches within separate research communities These exceptional inter paradigm

exchanges focus particularly on issues of techniques how governing is done power what forces drive governing and legitimacy whether governing is rightful Comparisons between the multiple perspectives on polycentric governing highlight and help to clarify the distinctive emphases potentials and limitations of each approach In addition various combinations of the different theories generate promising novel avenues of thought about polycentrism The book will allow readers to develop and refine their own understandings of governing today and hence to become more empowered political subjects

Auto/Biography across the Americas Ricia A. Chansky, 2016-08-05 Auto biographical narratives of the Americas are marked by the underlying themes of movement and belonging This collection proposes that the impact of the historic or contemporary movement of peoples to in and from the Americas whether chosen or forced motivates the ways in which identities are constructed in this contested space Such movement results in a cyclical quest to belong and to understand belonging that reverberates through narratives of the Americas The volume brings together essays written from diverse national cultural linguistic and disciplinary perspectives to trace these transnational motifs in life writing across the Americas Drawing on international scholars from the seemingly disparate regions of the Americas North America the Caribbean and Latin America this book extends critical theories of life writing beyond limiting national boundaries The scholarship included approaches narrative inquiry from the fields of literature linguistics history art history sociology anthropology political science pedagogy gender studies critical race studies and indigenous studies As a whole this volume advances discourse in auto biography studies life writing and identity studies by locating transnational themes in narratives of the Americas and placing them in international and interdisciplinary conversations **Intersex Matters** David A.

Rubin, 2017-09-28 Analyzes intersex debates through a queer feminist intersectional and transnational lens *Intersex Matters* analyzes the medicalization of people diagnosed as intersex which is an umbrella term for individuals born with sexual anatomies various societies deem to be nonstandard Through an examination of medico scientific scholarly political and popular archives from the mid twentieth century to the present Rubin argues that the medical regulation of atypical sex is fundamentally a feminist and a queer issue and an intersectional and transnational one as well Critical attention to intersex lives bodies narratives and activism profoundly reconfigures contemporary paradigms of sex gender race health normality biopolitics and human rights Rubin charts the emergence of intersex rights activism in the global north and global south thus demonstrating the value of understanding intersex experience when rethinking the vicissitudes of body politics in a globally interconnected world *Intersex Matters* is conceptually sharp thoroughly researched beautifully written and offers an account of intersex that we've never seen before It is a remarkable book Gayle Salamon Princeton University The scholarship is sound and well written The book makes a significant contribution to the literature and further adds to our knowledge of intersex Georgiann Davis University of Nevada Las Vegas *Feminists Rethink the Neoliberal State* Leela Fernandes, 2018-01-23 Preface Conceptualizing the post liberalization state intervention restructuring and the nature of State power Leela
