Frequencies - Freedom from Energy Vampires Olivia de Bergerac PhD, 2021-07-20 In this book Olivia documents twenty two case studies of her clients going through transformation while experiencing Dolphin Frequencies Dolphin s Frequencies induce in humans a meditative state based on very slow brain waves called Theta which open the door to the unconscious Humans may discover a soul scar a very emotional traumas that get healed Humans sometimes discover an energy vampire a parasite or a cord with another person that drains their life forces that can be cleared Through the Dolphins Frequencies and Olivia coaching work clients are freer happier healthier and learn the seven secrets of longevity Genre, Reception, and Adaptation in the 'Twilight' Series Anne Morey, 2016-04-15 Much of the criticism on Stephenie Meyer s immensely popular Twilight novels has underrated or even disparaged the books while belittling the questionable taste of an audience that many believe is being inculcated with anti feminist values Avoiding a repetition of such reductive critiques of the series s purported shortcomings with respect to literary merit and political correctness this volume adopts a cultural studies framework to explore the range of scholarly concerns awakened by the Twilight novels and their filmic adaptations Contributors examine Twilight s debts to its predecessors in young adult vampire and romance literature the problems of cinematic adaptation issues in fan and critical reception in the United States and Korea and the relationship between the series and contemporary conceptualizations of feminism particularly girl culture Placing the series within a broad tradition of literary history reception studies and filmic adaptation the collection offers scholars the opportunity to engage with the books importance for studies of popular culture gender and young adult literature *Vampires Don't Sleep Alone* Del Howison, Elizabeth Barrial, 2014-01-16 The secret to a successful relationship is openness You have to know each other where you came from what interests you have in common and if you share the same tastes Can you live with each others quirks and tics Do you love him for who he is or what he knows Does he love you as one might love a banquet Dating a vampire can be a slippery slope but it can also be an interesting and fulfilling period in your life There are challenges to overcome for sure like the possible age difference of hundreds or even thousands of years But what s a few years between lovers So what if he wants to feed from your circle of friends What difference does it make that he has had more sexual partners during his existence than the number of people you ll meet in your lifetime You re going to need help and this book has the answers Knowledge is power Give him a taste of you but maintain control Remember not even vampires sleep alone **The Aesthetics of Ageing** Brian Worsfold, Maria O'Neill, Carmen Zamorano Llana, 2002 Over My Dead Body Michele Bardsley, 2009-05-05 A single mom finds a man who s hot enough to wake the undead in this Broken Heart novel from New York Times bestselling author Michele Bardsley With my ex husband out of my life after attempting murder on me and my little Glory not uttering a word since that awful night Broken Heart Oklahoma seemed like the perfect sanctuary for us And I Simone Sweet was ready to start a new life I just didn t figure it d be an eternal one But then local hunk Braddock Hayes turns my undead world upside down He s the only one who sees me as I really am and let me tell you he makes my fangs quiver But if he finds out the truth about my past it would

just about kill me if I weren't already dead that is Luckily no one knows better than me that things aren't always as they appear

Queering the Canon Christoph Lorey, John L. Plews, 1998 This collection of essays exposes points of queerness marginality and alterity present in the German canon and introduces further deviation from traditional German literature and culture in the form of openly lesbian and gay works It provides new queer analyses of texts by canonical authors such as Goethe Schiller Thomas and Klaus Mann Ingeborg Bachmann Christa Reinig and Elfriede Jelinek yet discusses works that have seldom received scholarly attention It also breaks the traditional limitation of Germanistik to the study of literature by including essays on aspects of German culture such as music film fine art and art history and politics and law

Vampires and Zombies Dorothea Fischer-Hornung, Monika Mueller, 2016-02-02 The undead are very much alive in contemporary entertainment and lore Indeed vampires and zombies have garnered attention in print media cinema and on television The vampire with roots in medieval European folklore and the zombie with origins in Afro Caribbean mythology have both undergone significant transformations in global culture proliferating as deviant representatives of the zeitgeist As this volume demonstrates distribution of vampires and zombies across time and space has revealed these undead figures to carry multiple meanings Of all monsters vampires and zombies seem to be the trendiest the most regularly incarnate of the undead and the monsters most frequently represented in the media and pop culture Moreover both figures have experienced radical reinterpretations If in the past vampires were evil blood sucking exploiters and zombies were brainless victims they now have metamorphosed into kinder and gentler blood sucking vampires and crueler more relentless flesh eating zombies Although the portrayals of both vampires and zombies can be traced back to specific regions and predate mass media the introduction of mass distribution through film and game technologies has significantly modified their depiction over time and in new environments Among other topics contributors discuss zombies in Thai films vampire novels of Mexico and undead avatars in horror videogames This volume with scholars from different national and cultural backgrounds explores the transformations that the vampire and zombie figures undergo when they travel globally and through various media and cultures

Chica Lit Tace Hedrick, 2015-06-18 Winner 2016 ALA Choice Outstanding Academic Title In Chica Lit Popular Latina Fiction and Americanization in the Twenty First Century. Tace Hedrick illuminates how discourses of Americanization ethnicity gender class and commodification shape the genre of chica lit popular fiction written by Latina authors with Latina characters. She argues that chica lit is produced and marketed in the same ways as contemporary romance and chick lit fiction and aimed at an audience of twenty to thirty something upwardly mobile Latina readers. Its stories about young women's ethnic class mobility and gendered romantic success tend to celebrate twenty first century neoliberal narratives about Americanization hard work and individual success. However Hedrick emphasizes its focus on Latina characters necessarily inflects this celebratory mode the elusiveness of meaning in its use of the very term Latina empties out the differences among and between Latina o and Chicano a groups in the United States. Of necessity chica lit also

struggles with questions about the actual social and economic place of Latinas and Chicanas in this same neoliberal landscape these questions unsettle its reliance on the tried and true formulas of chick lit and romance writing Looking at chicanita's market driven representations of difference poverty and Americanization Hedrick shows how this writing functions within the larger arena of struggles over popular representation of Latinas and Chicanas [Blood and Kisses: Vampires Unveiled](#) Pasquale De Marco,2025-04-26 Vampires have captivated our imaginations for centuries their allure spanning cultures and generations This comprehensive exploration of the vampire mythos delves into their history biology psychology and sociology examining their portrayal in literature media and popular culture We explore the evolution of vampires from blood thirsty creatures of folklore to the sophisticated antiheroes of modern fiction tracing their journey through classic Gothic novels blockbuster movies and popular television shows We also investigate their connections to the supernatural the occult and science exploring the scientific basis for vampirism and the psychological and cultural factors that have shaped our fascination with vampires Beyond the realm of fiction we examine the real world phenomena that may have contributed to the vampire legend including medical conditions genetic anomalies and cultural beliefs We also delve into the psychological motivations and desires that drive vampires in fiction and folklore shedding light on our own fears anxieties and desires With a multidisciplinary approach this book offers a comprehensive understanding of vampires both as fictional characters and as cultural icons It is an essential read for anyone interested in the dark and fascinating world of the undead From their origins in ancient folklore to their modern day incarnations vampires have captivated us with their mystique and allure This book delves into the rich tapestry of vampire lore exploring their diverse forms cultural significance and enduring appeal Through a comprehensive examination of vampires in literature film television and popular culture we trace the evolution of these iconic creatures We explore the various ways in which vampires have been portrayed from the bloodthirsty monsters of early legends to the seductive and sophisticated vampires of contemporary fiction We also analyze the cultural and historical factors that have shaped our perceptions of vampires shedding light on their enduring popularity This book also examines the scientific and psychological aspects of vampirism We investigate the medical conditions and genetic anomalies that may have inspired the vampire myth as well as the psychological motivations and desires that drive vampires in fiction and folklore Through a multidisciplinary approach this book offers a comprehensive understanding of vampires both as fictional characters and as cultural icons Whether you are a longtime fan of vampires or simply curious about their enduring appeal this book is an essential read It is a comprehensive and thought provoking exploration of these captivating creatures that have haunted our imaginations for centuries If you like this book write a review on google books [In the Mountains of Madness](#) W.
