What Does The Bible Really Teach About Homosexuality:

What Does the Bible Really Teach about Homosexuality? Kevin DeYoung, 2015-04-16 In just a few short years massive shifts in public opinion have radically reshaped society's views on homosexuality. Feeling the pressure to forsake long held beliefs about sex and marriage, some argue that Christians have historically misunderstood the Bible's teaching on this issue. But does this approach do justice to what the Bible really teaches about homosexuality? In this timely book, award-winning author Kevin DeYoung challenges each of us—the skeptic, the seeker, the certain, and the confused—to take a humble look at God's Word. Examining key biblical passages in both the Old and New Testaments and the Bible's overarching teaching regarding sexuality, DeYoung responds to popular objections raised by Christians and non-Christians alike, offering readers an indispensable resource for thinking through one of the most pressing issues of our day.

Discerning Inclusion Ashley Hardingham, 2024-08-01 Increasing numbers of evangelical churches are now considering the question of the inclusion of those from LGBT communities, not only as attenders but as involved and committed members and leaders. Previously, little has existed in terms of guidance regarding any kind of roadmap for how to have this conversation. *Discerning Inclusion* addresses this need, giving the reader an accessible, honest, and practical model for how to have the conversation and what to expect on the way. Ashley Hardingham presents an account of how the church he leads had the crucial conversation about whether they might welcome and fully include those from LGBT communities. The book approaches the question from the position of a church leader and leadership team who, while apprehensive about formal engagement with the issue, considered it essential. He explores the precipitating reasons for the conversation and how the process evolves. The book is candid about the inevitable challenges and criticisms that can come but also suggests how they might be responded to and how the conversation can be completed. This is a warts-and-all, frank assessment of both the cost and the fruit of having such a conversation, leaving the reader informed and equipped about what might be achieved.

friends and dig into Scripture with interpreters on both sides considering the implications of their convictions for life and ministry Let s examine how we might welcome everyone into the church while calling for all to be transformed

Marriage, Scripture, and the Church Darrin W. Snyder Belousek,2021-03-16 This book takes a distinctive approach to the same sex union debate by framing the issue as a matter of marriage Darrin Snyder Belousek demonstrates that the interpretation of Scripture affects whether the church should revise its doctrine of marriage for the sake of sanctioning same sex union Engaging charitably yet critically with opposing viewpoints he delves deeply into what marriage is what it is for and what it means as presented in the biblical narrative and the theological tradition articulating a biblical traditional theology of marriage for the contemporary church Afterword by Wesley Hill

The Bible in History David W. Kling,2022-12-19 Over 15 years after its original publication The Bible in History remains an essential examination of the symbiotic relationship between Scripture and the social and cultural contexts shaping its interpretation David W Kling traces the fascinating story of how specific biblical texts sometimes a single verse other times a selection of verses or chapters even books have at various times emerged to be the inspiration of movements that have changed the course of history Episodes range from Anthony s call to the desert and a life of monasticism after hearing Jesus s directive to the rich young rule to give up his possessions to the Anabaptists non violent ethic in following Jesus teaching in the Sermon on the Mount to the varied applications of the exodus motif in African American history This revised and expanded second edition adds two new chapters The first examines the text in Matthew 28 18 20 and considers the multitudinous interpretations before during and after the text emerged as the

iconic Great Commission of missionary motivation in the modern period The second assesses those biblical texts that encompass the divisive and ongoing issue of male homosexuality Both chapters engage the question of how the texts have shaped the times but as Kling argues the times have also exerted an enormous impact on shaping the interpretation of the texts and hence on the continuing disputes over the meaning of those texts *One Man and One Woman* Joel R. Beeke, Paul M. Smalley, 2016-03-25 What does the Bible teach about sexual relationships between people of the same sex Does true love require that we accept all forms of sexual expression No real love does not rejoice in sin but rejoices in the truth In the Bible God reveals that He created gender sex and marriage and we may not alter them at our will Through His laws and works in history God has made it clear that homosexual practices violate His holy purposes for mankind The New Testament reaffirms God's created order and moral laws It too warns that homosexual practice like any other sin that we cherish is the pathway to God's judgment However the Lord Jesus Christ saves sinners by His Spirit and gives them a new identity forgiveness life and power to live according to His commandments This is the message that all people need to hear God's laws have not changed but God's grace offers hope to sinners through Jesus Christ Table of Contents 1 Introduction 2 Foundations Love Authority and Sexuality 3 Directions God's Word to Ancient Israel about Homosexuality 4 Expectations The Power of Sin and the Power of Christ 5 Conclusions Grace and Truth **Urban Legends of the Old Testament** David A. McKenzie,2019-06-20 In the late twentieth and early twenty first centuries when the debate about same sex marriage was active and leading to legislation my wife and I followed the news avidly but with only one thought same sex marriage is wrong As Christians we believed in our marriage in church and in the vows taken We could accept differences and to us the acts of civil union seemed to give same sex couples an identity and a protection from abuse which they were entitled to When these acts were passed it was not enough Laws were passed to allow same sex marriage which to us compounded the position The element of same sex couples denying their sexuality by contriving to become parents by utilizing in some way the services of the opposite sex seemed totally against the law of nature and the very sexuality that gays and lesbians had wanted legalized in the first place Laws may be passed but it does not mean that Christians and churches have to accept these laws as being scriptural and Christian There is nothing in the Bible that supports same sex marriage yet general assemblies of denominations have approved same sex marriage often without the approval of individual congregations This cannot be right in principle or practice Sadly my wife died in September 2015 but our united stance continues *What Do I Say When . . . ?* Andrew Walker,Christian Walker,2024-08-13 Answers to Tough Cultural Questions Presented to Christian Parents Navigating the world for the first time can be challenging especially when popular cultural beliefs contradict the teachings of Scripture So when inevitable questions arise parents must be equipped with sound biblical answers to guide their children through the complexities of modern life because if we fail to catechize our children the world will surely step in to do it for us Written by husband and wife duo Andrew and Christian Walker this accessible and trusted guide helps busy parents quickly and effectively respond to their children s questions on a wide range of topics including abortion sexuality transgenderism technology political engagement and more Each chapter contains age appropriate prompts for parents of children at different stages of development and maturity Parents can refer to each chapter as specific questions arise study hot button topics for future reference or access a range of conversation starters to proactively cultivate biblical truth within their child s heart Written for Busy Parents Empathetic in tone this book helps parents quickly access answers to the most important topics confronting our youth today Helpful Resources Each chapter features a biblical overview basic truths every parent should know conversation starters memory verses and recommended resources Current Addresses important cultural topics including human dignity abortion sexuality transgenderism technology political engagement and more **Does God Exist?** Bobby Conway,2016-04-01 Do you ever find yourself stumped by questions about God questions that sound like this If God is good why is there evil How can a loving God send people to hell And who
