Arthur M Jr Mills,2010-04 Based on true events of a haunting in Austin Texas P 1 of cover God Is Real and the Devil Is a Liar Anna Ellison-Griffin,2019-08-20 As I was writing this book I began to see some sad moments in my story One being when I talked to the bishop that Tuesday about what I was going through He told me to come to church on Sunday We are talking five days later My heart breaks knowing that he was having a service later that night and again on Friday I told him with tears pouring down my face that something evil had entered into my body and that I needed an exorcism to get it out For all bishops pastors and ministers reading this book when someone calls you for help please don t put them off because you have a program to follow God sent them to you for a reason I was going through spiritual warfare and I knew I needed to be at a church not a mental hospital My situation could have turned out very badly The devil could have caused me to hurt myself or someone else Remember I thought I was obeying God I would have done whatever he told me to do I believe now that God was teaching me to trust and depend only on him because he is the author and finisher of our faith If there is one thing you get out of reading my testimony let it be that no matter what you are going through God will be there to see you through Have you surrendered your life to him If not read Romans 10 9 If you confess with your mouth the Lord Jesus and believe in your heart that God raised him from the dead you shall be saved Then repent of your sins and ask him to come into your life and make him your Lord and savior *Oasis for My Soul* Tracey L. **Not on My Watch!** Monica Boyer, 2012-08-29. Many people curse the darkness and complain about what is wrong in society without providing any light. Monica Boyer's story is different. *Not on My Watch* is the story of one mom who saw her country falling apart at the seams and felt she had to do something about it. Monica was simply living her life as a middle class mom in middle class America. One day while driving in her minivan she happened to glance into her rear view mirror. In it she saw the four little reasons to become involved: the precious children God had given to her. That day the headlines seemed daunting, the future was unclear and those four children meant so much to her. She suddenly realized she had to do whatever she could to pass on an America that was no less great than the one that was passed on to her. For the past eight years Monica has been actively involved in the political process, serving as a watchdog for family values and protecting the sanctity of life. Three years ago she accepted the commitment to protect freedom by becoming a leader in the TEA Party movement. As she explains in *Not on My Watch* with passion for her God, a commitment to country and the burning desire to safeguard her family, she is committed to continuing to fight at the local, state and national level. *Not on My Watch* is not so much about remarkable talent or even being at the right place at the right time. It's about hearing the call and having the courage to stand when the world around you seems to be crumbling.
