What the Bible Says About... Scott Dalton Myers, 2024-02-12 The Bible God's inspired unerring and infallible Word is truly His instruction manual for life and a moral compass for us all to live by It tells us what is good what is bad what is right and what is wrong Unfortunately many people believe that the Bible is no longer relevant today and was only applicable in biblical times The Bible itself tells us quite the opposite The issues and problems we face today are essentially the same as those faced by man in biblical times Human nature has not changed and God has not changed Only the times have changed The Bible has plenty to say about the issues people encounter every day from the beginning of life to the end of life I have addressed many of these in this book The Evidence of God's Existence Who Was and Is Jesus Being Saved Forgiveness Trials and Tribulations What Happens When You Die Families and Fathers Humility Worrying Depression The Environment and Nature Racism Abortion Homosexuality Adultery Transgenderism Alcohol Drugs and Addiction The Death Penalty The Right to Bear Arms Government Leadership Man's Laws and God's Laws Suicide Money and the Rich Natural Disasters Satan Demons and the Supernatural Creation the Biblical Timeline and the Age of the Universe and others People today are pretty much the same as people were in biblical times Basic human nature and the human condition being born into sin have not changed We face the same challenges the same temptations and the same trials and tribulations as the early Christians did The Bible contains advice and guidance on every possible issue or situation we face if we only look to it for that guidance and direction and pray to God for wisdom and discernment In hope of eternal life which God that cannot lie promised before the world began Titus 1:2 That by two immutable things in which it was impossible for God to lie we might have a strong consolation who have fled for refuge to lay hold upon the hope set before us Hebrews 6:18 All scripture is given by inspiration of God and is profitable for doctrine for reproof for correction for instruction in righteousness 2 Timothy 3:16 The grass withereth the flower fadeth but the word of our God shall stand for ever Isaiah 40:8 Jesus Christ the same yesterday and today and forever Hebrews 13:8-9 For I am the Lord I change not Malachi 3:6 Finally you we should read the Bible like a love letter not a textbook John 3:16 tells us For God so loved the world that He gave His only begotten Son that whosoever believeth in Him should not perish but have everlasting life

The Church School Journal ,1888 Having Faith Is Fun Edward Mitchell Jr., 2023-02-24 Having faith is fun and it really is just that fun When you realize that faith has all the answers to your situation why would you live in fear When you live in fear your fear is your faith and you believe what fear says We have all been given a measure of faith not to hold on to but to use Faith is an action word which requires action to reap the rewards of answered prayers of those things hoped for Believing when we pray powers our faith In the book of James he reminds us that faith without works is dead James 2 20 KJV

As time goes by our measure of faith which we should be using whether it s the mustard seed or something greater would grow over time into a mustard tree Matthew 21 34 37 No one should have the same measure of faith they were given at birth Babies don t know anything about faith but there is a mechanism in place that when a baby cries attention comes It s the same with our faith when it is used it brings God s attention to our situation So as you see having faith is fun Faith already has the answer to whatever you re going through Try having fun with faith and you ll see and notice the difference in your trials Let go of fear and grab your faith because having faith is fun when you use it and believe it What I noticed is the power that faith produces from one trial to another Faith grows It should not be the same faith you used when you were younger Faith doesn t stay the same It changes it grows It is sad when I hear someone say I have mustard seed faith after going through many trials Faith is a seed that is meant to grow bigger and better with every trial Faith makes you a winner Real faith never fails Make faith your friend and fear your enemy You will see the difference in the results How Do I Get to God's House?
