Transmission Difficulties Franz Boas And Tsimshian Mythology:

Transmission Difficulties Ralph Maud,2000 Ralph Maud delves into the mystery of Boas s alleged translations of stories gathered by his chief Tsimshian informant Henry Tate **Indigenous Evangelists and Questions of Authority in the British Empire 1750-1940** ,2015-08-25 This is the first full length historical study of indigenous evangelists across a range of societies geographical regions and colonial regimes and the first to focus on the complex issues of authority surrounding the evangelists It answers a need frequently voiced in recent studies of Christian missions Most scholars now acknowledge that the remarkable expansion of Christianity in Africa Asia and the Pacific in the nineteenth and twentieth centuries owed far more to the efforts of indigenous preachers than to the foreign missionaries who loom so large in publications This book addresses that concern making an excellent introduction to the role of indigenous evangelists in the spread of Christianity and the many countervailing pressures with which these individuals had to contend It also includes in the introductory discussions useful statements of the current state of scholarship and theoretical debates in this field

Disruptive Voices and the Singularity of Histories Regna Darnell,Frederic W. Gleach,2019-11-01 Histories of Anthropology Annual presents diverse perspectives on the discipline s history within a global context with a goal of increasing awareness and use of historical approaches in teaching learning and conducting anthropology The series includes critical comparative analytical and narrative studies involving all aspects and subfields of anthropology Volume 13 Disruptive Voices and the Singularity of Histories explores the interplay of identities and scholarship through the history of anthropology with a special section examining fieldwork predecessors and indigenous communities in Native North America Individual contributions explore the complexity of women s history indigenous history national traditions and oral histories to juxtapose what we understand of the past with its present continuities These contributions include Sharon Lindenburger s examination of Franz Boas and his navigation with Jewish identity Kathy M Closkey s documentation of Navajo weavers and their struggles with cultural identities and economic resources and demands and Mindy Morgan s use of the text of Ruth Underhill s O odham study to capture the voices of three generations of women ethnographers Because this work bridges anthropology and history a richer and more varied view of the past emerges through the meticulous narratives of anthropologists and their unique fieldwork ultimately providing competing points of access to social dynamics This volume examines events at both macro and micro levels documenting the impact large scale historical events have had on particular individuals and challenging the uniqueness of a single interpretation of the same facts Transmission Difficulties Ralph Maud,2000 Ralph Maud delves into the mystery of Boas s alleged translations of stories gathered by his chief Tsimshian informant Henry Tate **Historicizing Theories, Identities, and Nations** Regna Darnell,Frederic W. Gleach,2017-10-01 The Histories of Anthropology Annual presents diverse perspectives on the discipline s history within a global context with a goal of increasing awareness and use of historical approaches in teaching learning and conducting anthropology The series

includes critical comparative analytical and narrative studies involving all aspects and subfields of anthropology Volume 11

Becoming Tsimshian Christopher F. Roth, 2011-01-01 The Tsimshian people of coastal British Columbia use a system of hereditary name titles in which names are treated as objects of inheritable wealth Human agency and social status reside in names rather than in the individuals who hold these names and the politics of succession associated with names and name taking rituals have been and continue to be at the center of Tsimshian life *Becoming Tsimshian* examines the way in which names link members of a lineage to a past and to the places where that past unfolded At traditional potlatch feasts for example collective social and symbolic behavior gives the person to the name Oral histories recounted at a potlatch describe the origins of the name of the house lineage and of the lineage's rights to territories resources and heraldic privileges This ownership is renewed and recognized by successive generations and the historical relationship to the land is remembered and recounted in the lineage's chronicles or *adawx* In investigating the different dimensions of the Tsimshian naming system Christopher F Roth draws extensively on recent literature archival reference and elders in Tsimshian communities *Becoming Tsimshian* which covers important themes in linguistic and cultural anthropology and ethnic studies will be of great value to scholars in Native American studies and Northwest Coast anthropology as well as in linguistics

White Lies about the Inuit John Steckley, 2008-01-01 In this lively book designed specifically for introductory students Steckley unpacks three white lies the myth that there are fifty two words for snow that there are blond blue eyed Inuit descended from the Vikings and that the Inuit send off their elders to die on ice floes
